A Member Agency of the Community Chest
香港公益金會員機構

Background

Ebenezer is a voluntary agency founded in 1897 by Hildesheimer Blindenmission. It provides education and residential services for children with visual impairments and those visually impaired with mental handicaps and other disabilities, as well as residential care and nursing facilities for the elderly visually impaired. Ebenezer works in co-operation with other voluntary agencies and government agencies, committed to serving the visually impaired community of Hong Kong.

Financial Support

Initial support for Ebenezer came entirely from the Hildesheimer Blindenmission and from private donations in Hong Kong and abroad. In 1954 Ebenezer received its first subvention from the Social Welfare Department and the Education Bureau in Hong Kong to maintain its existing and new programmes. Ebenezer is also a member of the Community Chest, and receives support from the Hong Kong Jockey Club and private donations.

Aims and Objectives

All the activities of Ebenezer are founded in the Christian faith. It aims to provide comprehensive educational, rehabilitation and recreational training in a residential setting for the visually impaired, mentally handicapped and elderly. Ebenezer also interacts with other voluntary and Government agencies at local, regional and international levels to maintain, improve and promote services to the visually impaired.

REPORT FROM CHAIRMAN AND CHIEF EXECUTIVE OFFICER

Smiling faces of our Directors and management team
董事及部門主管的笑容在週年聚餐中綻放

This year, as an experiment, both the Chairman and Chief Executive Officer (CEO) have collaborated to produce a single message. We hope you find the result to be unrepeatable, and more focused on our activities, achievements and issues.

The year 2011-12 has been especially memorable. With God's blessing and help, we have reached 115 years of serving the visually impaired community of Hong Kong. We take great pride in our long history of service in Hong Kong where we have served the needs of our community with persistence and dedication. This has been achieved through the concerted support of our founder, the Hildesheimer Blindenmission (HBM) in Germany, and in Hong Kong a caring government, community, visionary Board of Directors and a dedicated team of staff and parents. All these allow Ebenezer to thrive and to embrace the challenges ahead.

Over the years, we have had so much to be thankful for and, to mark the occasion of our long record of service, we considered it appropriate in February 2012 to commence our celebration with an inaugural thanksgiving service, kindly officiated by the Most Reverend Paul Kwong.

We continue to enjoy close ties with our founding mission, HBM. This year in October 2011, we were honoured by

a visit of HBM's Chairman, Rev Frank Ewert; Deputy Chairman, Mr Rudolf Rengstorf; Board Directors, Mr Detlev Kentler and Mr Ralf Algermissen during their Asian trip to visit other institutions for the blind set up by the Mission in Asia. We at Ebenezer fully support their mission of building stronger ties between their institutions and in June 2011, one teacher from a Myanmar school for the blind came to Ebenezer for attachment training. This is all in line with our vision to become a centre of excellence for the visually impaired in Asia.

As in the past years, we had to contend with personnel changes to our Board of management. This year is no exception. We were sorry that Mr Bernard Rennell tendered his resignation from the Board of Directors due to his many commitments overseas. In his place, we are privileged to have Ms Victoria De Alwis from HSBC joining the Board. We also welcome Mr Benson Lo and Ms Rhonda Leung, to join the Board. Mr Lo has with him entrepreneur and technical skills and Ms Rhonda Leung, as a past school head, has vast experience in education. We now have had a good mix of expertise among our directors and this certainly helps to strengthen our governance and management of our organization.

It has been another year full of excitements and new challenges. Excitements, because in the year of changing demands, we have been gearing ourselves up for the introduction of innovative initiatives and have made progress. Some highlights are as follows:-

- We have made significant progress in our commitment to re-introducing guide dogs to Hong Kong under the '4 Dogs 4 Users' Guide Dog Pilot Project. The project, jointly managed in collaboration with the Hong Kong Society for the Blind and Hong Kong Guide Dogs Association, is funded by S K Yee Medical Foundation. We are particularly thankful to the Guiding Eyes for the Blind (GEB) based in New York for their generosity in providing the guide dogs and the associated training for our potential users. We launched

Visit of the Chairman & Directors of Ebenezer
心光創辦人喜迪堪援助盲人協會主席及

the first round of open application for using guide dogs in September 2011 and it was well received. With the rigorous assessment by our project consultant and the GEB, we shortlisted the first batch of users to attend the 4-week training class at GEB in July 2012. By the end of July 2012, the first two guide dogs would have completed their training for service in Hong Kong. A significant achievement after a cessation of guide dog service several decades ago.

- During this period, we started a new three-year Seed Project on Pre-School Supportive Service with funding given by the Standard Chartered Hong Kong 150 Anniversary Community Foundation via the Community Chest and in collaboration with the School of Optometry at the Hong Kong Polytechnic University. This project is supplementary to our Early Intervention Programme (EIP). The Seed Project aims to enhance the awareness of parents and pre-school teachers about young children's visual development. We hope that through professional assessment, teacher training and parent education, we can at an early stage identify the rehabilitation and training needs of pre-school children with visual problems as early as possible.
- Another first is that we have introduced play therapy and art therapy at Ebenezer School and Ebenezer New Hope School, so as to have more diversified rehabilitation training programme. Play therapy and art therapy help visually impaired children to find ways to get in touch with their subconscious self to cope with their hidden fears, stress and frustrations. In return, we hope these therapies can strengthen their sense of identity, their self worth and self esteem. In parallel, we have successfully, for the next three years, secured additional funding from the Community Chest for continual offering of 4T (speech therapy, occupational therapy, physiotherapy and music therapy) rehabilitation services to our students.

及董事到訪

- Our students have diverse talents and interests. They always amaze us with their motivation, inner strength and courage. In May 2011, we held the Ebenezer School Variety Show at Sheung Wan Civil Centre Theatre. This is the first time we opened the Show to the public. As a result of months of hard work, the Show was a great success. We had a full house and after the performance received a stream of compliments. It is a new and rewarding experience to us all, and has helped to strengthen

Welcome to the guide dogs Nana & Deanna
余兆麟醫療基金資助的導盲犬計劃

our confidence to the extent that in the future we are looking for bigger venue for our shows.

- By carefully observing the needs of our students, we have also turned part of our school campus into a conducive multi-sensory and stimuli rich environment by setting up the 'Mini Great Wall of Tangible Objects' and the 'Garden of Herbs'. Thanks to the good effort of teachers, the project has been a great success, a fun way to learn about gardening and at the same time providing a productive venue for socializing during recess times.
- Under the leadership of Mr Mike Scales, Chairman of the Education Committee, the establishment of the Incorporated Management Committee for the two schools has been progressing well. A big step has been made when the respective IMC constitutions of the two schools were approved by the Education Bureau (EDB). The next step would be to ensure compatibility with our current protocols on governance and accounting procedures.
- We also completed the Ebenezer-EDB joint review of our long established Resource Support Programme (RSP) for visually impaired students studying in other schools and the report would be finalized in the summer of 2012. We are pleased that the EDB has duly recognized the effectiveness of the Programme

Ebenezer School and Home for the Visually Impaired

and commended the professionalism of our resource teachers. The RSP team is now fully ready to implement, in the years ahead, the various enhancement measures that have come out of the review so as to keep pace with the changing learning needs of the integrators.

- During the year, we faced unexpected staff changes at our Early Intervention Programme (EIP) Unit in April 2011. However, this gave us an opportunity to re-organize its structure and work approach. By recognizing similarities with regard to the nature of service, we were able to put the EIP Unit and Ebenezer Child Care Centre under the same supervisor to ensure consistency of training services, better facilitation of professional sharing and greater flexibility in manpower deployment. The re-organization proved to be operating successfully.
- Due to cuts in government subsidy brought about by the decline in student population and consequentially our student intake, Ebenezer School struggled to maintain the same class structure of the previous year, and inevitably we had to make a cut in the staff provision of its boarding section. We should point out we are experiencing a worrying trend in the new intake of students in that we are witnessing a growing number of students who have other disabilities than visual impairment at Ebenezer School and more wheelchair-bound children are being admitted to Ebenezer New Hope School. These students call for more rehabilitative services, care and attention but the Government is slow in making policy adjustments. We are therefore faced with having to look for other funding sources in order to provide the top up manpower needed to take the best possible care of these students. Clearly this is not a sustainable situation.
- Under the chairmanship of Professor Brian Duggan, our relocation project continues to be a challenge. It really is proving difficult to locate a new site. In spite of a new round of initiatives by putting up advertisements in newspapers, etc. the response was not good. The sites offered to us were either in remote areas or too small. We are currently studying the feasibility of a school site in Fanling but foresee quite a number of problems and hurdles that need to be resolved. However, for the long term good of the school, we continue to try to make this project happen.

Let me close by expressing our pride in the many achievements of Ebenezer and for being such a sustainable and vibrant

organization. This would not be possible without the solid support of our Government, the dedicated staff and Board members, and the ongoing involvement of parents, alumni and volunteers, and last but not least, our generous donors.

We wish you would share with us our passion and the sense of excitement about our work. Looking ahead, we will face further challenges. Yet, with the combination of our experiences, expertise, innovation and your support, we have confidence that the year ahead promises to be an equally if not more fulfilling than before.

Thank you all.

主席及院長報告

今年，主席與院長首次同共撰寫一份報告，一改以往各自撰寫的做法。這可讓我們更聚焦地介紹本院的活動、工作成果和重要事項；又可精簡篇幅，避免重覆。

得到上帝的祝福和帶領，心光盲人院暨學校以堅持不懈的精神，服務視障群體已達115年。本年度(2011/2012)是心光115週年，我們有這樣值得自豪的成就，有賴德國喜迪堪援助盲人協會、香港政府及社會各界的鼎力支持、董事會的高瞻遠矚、教職員的熱誠工作及家長的配合和信任，使心光得以跨越不同時代的挑戰，迄立茁壯。

能長期為視障群體提供服務，我們皆存感恩的心。我們於2012年2月舉行了115週年感恩崇拜，並榮幸得到鄭保羅大主教蒞臨主持，好讓我們以謙卑的心，啟動一連串慶祝活動。

我們一直跟創立本院的德國喜迪堪援助盲人協會保持密切關係。2011年10月，該會主席Frank Ewert牧師、副主席Rudolf Rengstorf先生、董事Detlev Kentler先生及Ralf Algermissen先生到訪該會在亞太地區創立的視障機構，其中一站到本院探訪，我們深感榮幸。心光全力支持該會的使命，增進心光與亞太區內其他視障機構合作。在2011年6月，一位來自緬甸盲人學校的老師獲安排到本院接受培訓。這配合我們的願景，邁向成為亞洲區內視障服務的卓越中心。

過去數年間，我們都要面對董事會內的人事變遷，今年亦不例外。董事 Bernard Rennell先生因時常往海外公幹而辭任，我們感到非常可惜。我們很榮幸邀請到來自匯豐銀行的歐美芳女士填補空缺。另外，我們歡迎梁麗琴校長和羅德榮先生即將加入董事會。羅先生擁有豐富的企業管理和專業技能；而梁校長則在教育界有豐富經驗。他們的參與令董事會的成員組合更全面，更多元化，有助增強董事會的管治效能。

2011/2012年度的工作，充滿挑戰也令人興奮。面對社會不停轉變的需求，心光團隊不敢鬆懈，時刻做好裝備，因而取得豐碩成果。我們謹此概述過去一年的工作重點如下：

- 心光與香港盲人輔導會、香港導盲犬協會合辦的「4人4狗」導盲犬先導計劃，取得突破性的進展。我們特別感謝余兆麒醫療基金贊助及在紐約的導盲犬訓練中心慷慨提供導盲犬和有關使用導盲犬訓練予香港的準使用者。在2011年9月，我們展開首輪的公開申請使用導盲犬，視障人士的反應良好。經過導盲犬專家及導盲犬訓練中心的嚴格評估後，最終選出四位合適失明人士接受為期四星期培訓課程。預計首批兩位失明人士會於2012年7月前赴紐約的導盲犬訓練中心接受導盲犬配對及訓練。預計7月底，香港將會首次有兩隻受過國際認可機構專業訓練的導盲犬為失明人士服務。導盲犬在香港絕跡數十年，是項計劃為香港重新引入導盲犬，這是具歷史性的重要成就。
- 我們推展了一項為期三年的「學前視障幼兒及早支援服務」種子計劃，該項計劃由渣打銀行一百五十週年慈善基金透過公益金資助，我們更與香港理工大學眼科視光學院合辦，旨在為幼兒的視覺障礙及早識別與介入，亦期望能增強家長及學前教育機構的教師對幼兒視覺發展的認識。我們希望透過專業的評估、教師培訓和家長教育，及早識別幼兒的視覺障礙，及提供適切的復康訓練。這項種子計劃與成立十多年的「心光視障幼兒及早支援服務」相輔相成，舒緩後者長期輪候而又有迫切性的服務訴求，避免錯失幼兒的最佳訓練時機。

“Seed Project” aims to enhance awareness of young children's visual development

【種子計劃】為幼兒評估視覺障礙

- 心光學校和心光恩望學校首次引進遊戲治療及藝術治療，為學生提供多元化的復康訓練。遊戲治療及藝術治療能幫助視障學生接觸真正的自我內心世界，積極面對隱藏在內心深處的恐懼、壓力、挫折，以增強他們認識自我、肯定自我價值及自尊感。與此同時，我們亦成功取得來自公益金的額外撥款，使「4T復康服務」（即言語治療、職業治療、物理治療和音樂治療）得以繼續提供服務予有需要的學生。
- 我們的學生多才多藝，而他們的意志、潛能和勇於面對挑戰，往往令我們讚歎。在2011年5月，「心光之夜才藝晚會」假上環文娛中心舉行。我們首次廣邀心光友好欣賞學生的演出，精彩感人，好評如潮，大大增強員工和學生的信心，我們會再接再勵，在不久將來籌辦公開演出。
- 為鼓勵同學多探索，我們在校園一角增設「觸感小長城」及「香草園」，這些設施能有趣而生活化地教導學生關於種植的知識，更為學生在小息時提供休憩活動的地方。我們實在要感謝老師們的心思。
- 在董事會教育委員會主席施米高先生的帶領下，心光學校及心光恩望學校成立法團校董會的進展良好。兩校的相關憲章文件亦已得到教育局批核，為成立法團校董會跨進一步。下一步我們將要檢視現行的財務程序和心光機構章程需否改動，配合學校管理新發展。
- 心光學校「視障學童支援計劃」創辦超過四十年，為於其他學校就讀的視障學童提供專業支援。因應新高中學制的推行，心光學校聯同教育局已就是項計劃進行全面檢討。範疇包括資源運用、支援策略及模式。經過年多的努力，相關報告可望於2012年夏季完成。我們很感謝教育局認同計劃的成效，及肯定資源老師的專業服務水平。面對教育新趨勢，資源教師團隊已作好裝備，與時並進，為支援服務注入新思維及創意，全力推行檢討報告所建議的新措施。
- 在2011年4月，心光「視障幼兒教育支援服務」面對突然而來的人事變遷。惟這亦是一個契機，讓我們得以重新改組架構及改變工作模式，進展順利。因著支援服務性質與心光幼兒中心相似，我們將兩者置於同一主管負責，以便在訓練服務、專業交流及人力資源等調配上有更靈活的安排與部署。

- 由於整體學童人數下降，心光學校收生難免減少。隨後我們或會面對教育局削減資助的威脅。學校僅能勉強維持與去年相同的班數；宿舍部則需縮減部份員工數目。與此同時，心光學校取錄的學生愈來愈多患有其他殘障，而心光恩望學校則收取愈來愈多需坐輪椅的視障學童，他們需要的復康支援與關顧比一般視障學生多，惟政府政策趕不上轉變，我們須繼續尋求各方的贊助，以增加相應人手，為視障學童提供最適切的照顧。
- 鄧敬仁教授繼續領導遷院計劃委員會，付出時間和極大耐性。尋覓新址仍是我們首要面臨的挑戰。我們嘗試於報章刊登廣告，徵求適合用地，可惜效果未如理想，所獲提供的用地不是位處偏僻，就是地皮面積細小，未能切合我們所需。我們仍在研究位於粉嶺的一個校址的可行性，惟預計有不少問題需要解決，但為了本院的未來發展，我們會繼續努力。

心光服務社會115年，歷史悠久，但自強不息，是一個充滿活力、勇於創新的機構，作為其中一份子，我們感到自豪。心光有今天的成就，實有賴政府的大力支持、董事會成員及教職員的辛勤付出、善長的慷慨奉獻，家長、校友和義工們的熱心幫助。

藉此機會，我衷心感謝每一位支持心光的朋友，也希望你們能分享我們的喜悅及令人振奮的工作成果。展望未來，我們將面對更多的挑戰，但有著我們豐富的經驗、專業知識和你們的支持，我們有信心來年再創佳績，服務更臻完善。

謝謝大家。

**Hong Kong,
20 December 2012**

Independent auditor's report to the members of The Ebenezer School and Home for the Visually Impaired Limited

(Incorporated in Hong Kong and limited by guarantee)

We have audited the financial statements of The Ebenezer School and Home for the Visually Impaired Limited (“the company”) set out on pages 16 to 29, which comprise the balance sheet as at 31 March 2012, the statement of comprehensive income, statement of changes in funds and reserves and cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Directors' responsibility for the financial statements

The directors of the company are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. This report is made solely to you, as a body, in accordance with section 141 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2012 and of its deficit and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

Notes to the financial statements

(Expressed in Hong Kong dollars)

1 Status of the company

The company is limited by guarantee, such that under the provisions of the company's memorandum of association, every member shall, in the event of the company being wound up, contribute such amount as may be required to meet the liabilities of the company, but not exceeding \$100 each.

The principal activities of the company are the provision of educational and boarding facilities for mentally and visually impaired children, as well as nursing facilities for elderly visually impaired people.

2 Significant accounting policies

(a) Statement of compliance

These financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards ("HKFRSs"), which collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"), accounting principles generally accepted in Hong Kong and the requirements of the Hong Kong Companies Ordinance. A summary of the significant accounting policies adopted by the company is set out below.

The HKICPA has issued a number of amendments to HKFRSs and one new Interpretation that are first effective for the current accounting period of the company. The adoption of them did not result in significant changes to the company's accounting policies in these financial statements for the years presented.

The company has not applied any new standard or interpretation that is not yet effective for the current accounting period (see note 16).

(b) Basis of preparation of the financial statements

The measurement basis used in the preparation of the financial statements is the historical cost basis except that the available-for-sale securities are stated at their fair value as explained in note 2(d).

The preparation of financial statements in conformity with HKFRSs requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

(c) Fixed assets and depreciation

Fixed assets are stated in the balance sheet at cost less accumulated depreciation and impairment losses.

Depreciation is calculated to write off the cost of items of fixed assets, less their estimated residual value, if any, using the straight line method over their estimated useful lives as follows:

- Furniture and equipment	5 years
- Computer equipment	3 years
- Motor vehicles	5 years

Both the useful life of an asset and its residual value, if any, are reviewed annually.

The carrying amounts of fixed assets are reviewed for indications of impairment at each balance sheet date. An impairment loss is recognised in profit or loss if the carrying amount of an asset, or the cash-generating unit to which it belongs, exceeds its recoverable amount. The recoverable amount of an asset, or of the cash-generating unit to which it belongs, is the greater of its fair value less costs to sell and value in use. In assessing value in use, the

2 Significant accounting policies (continued)

(c) Fixed assets and depreciation (continued)

estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. An impairment loss is reversed if there has been a favourable change in estimates used to determine the recoverable amount.

Gains or losses arising from the retirement or disposal of a fixed asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in profit or loss on the date of retirement or disposal.

(d) Available-for-sale equity securities

Investments in equity securities, being those held for non-trading purposes, are classified as available-for-sale equity securities. At each balance sheet date the fair value is remeasured, with any resultant gain or loss being recognised in other comprehensive income and accumulated separately in equity in the fair value reserve.

Dividend income from these investments is recognised in accordance with the policy set out in note 2(j)(v). When these investments are derecognised, the cumulative gain or loss is reclassified from equity to profit or loss.

When there is objective evidence that available-for-sale equity securities are impaired, the cumulative loss that has been recognised in the fair value reserve is reclassified to profit or loss. The amount of the cumulative loss that is recognised in profit or loss is the difference between the acquisition cost (net of any principal repayment and amortisation) and current fair value, less any impairment loss on that asset previously recognised in profit or loss. Objective evidence of impairment includes observable data that comes to the attention of the company concerning the underlying financial stability of the investee as well as a significant or prolonged decline in the fair value of an investment below its cost.

Impairment losses recognised in profit or loss in respect of available-for-sale equity securities are not reversed through profit or loss. Any subsequent increase in the fair value of such assets is recognised directly in other comprehensive income.

(e) Receivables

Receivables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method, less allowance for impairment of doubtful debts, except where the receivables are interest-free loans made to related parties without any fixed repayment terms or the effect of discounting would be immaterial. In such cases, the receivables are stated at cost less allowance for impairment of doubtful debts.

Impairment losses for bad and doubtful debts are recognised when there is objective evidence of impairment and are measured as the difference between the carrying amount of the financial asset and the estimated future cash flows, discounted at the asset's original effective interest rate where the effect of discounting is material. Objective evidence of impairment includes observable data that comes to the attention of the company about events that have an impact on the asset's estimated future cash flows such as significant financial difficulty of the debtor.

Impairment losses for receivables whose recovery is considered doubtful but not remote are recorded using an allowance account. When the company is satisfied that recovery is remote, the amount considered irrecoverable is written off against the receivables directly and any amounts held in the allowance account relating to that debt are reversed. Subsequent recoveries of amounts previously charged to the allowance account are reversed against the allowance account. Other changes in the allowance account and subsequent recoveries of amounts previously written off directly are recognised in profit or loss.

(f) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other financial institutions, and short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, having been within three months of maturity at acquisition. Bank overdrafts that are repayable on demand and form an integral part of the company's cash management are also included as a component of cash and cash equivalents for the purpose of the cash flow statement.

(g) Payables

Payables are initially recognised at fair value and subsequently stated at amortised cost unless the effect of discounting would be immaterial, in which case they are stated at cost.

2 Significant accounting policies (continued)

(h) Employee benefits

Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and the cost of non-monetary benefits are accrued in the year in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material, these amounts are stated at their present values.

(i) Provisions and contingent liabilities

Provisions are recognised for liabilities of uncertain timing or amount when the company has a legal or constructive obligation arising as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

(j) Revenue recognition

Where a revenue item is attributable to designated funds, the revenue is allocated to the respective funds; all other revenue is allocated to general fund.

Revenue is measured at the fair value of the consideration received or receivable. Provided it is probable that the economic benefits will flow to the company and the revenue and costs, if applicable, can be measured reliably, revenue is recognised in profit or loss as follows:

- (i) Government subsidies are accounted for on an accruals basis.
- (ii) Donations are recognised when the company becomes entitled to the donations and it is probable that they will be receivable. Donations specifically relating to the acquisition of a capitalisable asset are recognised on a straight line basis over the estimated useful life of the corresponding asset (see note 2(c)).
- (iii) Income from boarding fees is recognised on an accruals basis.
- (iv) Interest income is recognised as it accrues using the effective interest method.
- (v) Dividend income from listed investments is recognised when the share price of the investment goes ex-dividend.

(k) Related parties

- (a) A person, or a close member of that person's family, is related to the company if that person:
 - (i) has control or joint control over the company;
 - (ii) has significant influence over the company; or
 - (iii) is a member of the key management personnel of the company or the company's parent.
- (b) An entity is related to the company if any of the following conditions applies:
 - (i) The entity and the company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
 - (iii) Both entities are joint ventures of the same third party.
 - (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (v) The entity is a post-employment benefit plan for the benefit of employees of either the company or an entity related to the company.
 - (vi) The entity is controlled or jointly controlled by a person identified in (a).
 - (vii) A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity.

The fair value reserve comprises the cumulative net change in the fair value of available-for-sale securities held at the balance sheet date and is dealt with in accordance with the accounting policies in note 2(d).

14 Financial risk management and fair values

Exposure to credit, liquidity, interest rate and currency risks arises in the normal course of the company's operations. The company is also exposed to equity price risk arising from its equity investments in other entities.

The company's exposure to these risks and the financial risk management policies and practices used by the company to manage these risks are described below.

(a) Credit risk

The company's credit risk is primarily attributable to accounts receivable for donations from various parties. Management does not foresee any significant credit risk from parties who fail to meet its commitments on donations.

(b) Liquidity risk

The company's policy is to regularly monitor current and expected liquidity requirements to ensure that it maintains sufficient reserves of cash to meet its liquidity requirements in the short and longer term.

(c) Interest rate risk

At the balance sheet date, the company does not have any assets or liabilities which expose the company to significant interest rate risk.

(d) Foreign currency risk

The company has no significant exposure to foreign currency risk as substantially all of the company's transactions are denominated in Hong Kong dollars.

(e) Equity price risk

The company is exposed to equity price changes arising from equity investments classified as available-for-sale equity securities (see note 6).

The company's equity investments are listed on the Stock Exchange of Hong Kong and the Stock Exchange of Singapore. Listed investments held in the available-for-sale portfolio have been chosen based on their longer term growth potential and are monitored regularly for performance against expectations.

At 31 March 2012, it is estimated that an increase/decrease of 5% (2011: 5%) in the prices of these equities would have increased/decreased the company's fair value reserve and total funds and reserves by approximately \$995,339 (2011: \$1,184,141).

(f) Fair values

(i) Financial instruments carried at fair value

HKFRS 7, *Financial instruments: Disclosures*, require disclosures relating to fair value measurements of financial instruments across three levels of a "fair value hierarchy". The fair value of each financial instrument is categorised in its entirety based on the lowest level of input that is significant to that fair value measurement. The levels are defined as follows:

- Level 1 (highest level): fair values measured using quoted prices (unadjusted) in active markets for identical financial instruments.

14 Financial risk management and fair values (continued)

(f) Fair values (continued)

(i) Financial instruments carried at fair value (continued)

- Level 2: fair values measured using quoted prices in active markets for similar financial instruments, or using valuation techniques in which all significant inputs are directly or indirectly based on observable market data.
- Level 3 (lowest level): fair values measured using valuation techniques in which any significant input is not based on observable market data.

At 31 March 2012 and 2011, the only financial instruments of the company carried at fair value were available-for-sale equity securities of \$19,906,772 (2011: \$23,682,879) listed on the Stock Exchange of Hong Kong and the Stock Exchange of Singapore (see note 6). These instruments fall into Level 1 of the fair value hierarchy described above.

(ii) Fair values of financial instruments carried at other than fair value

All other financial instruments are carried at amounts not materially different from their fair values as at 31 March 2012 and 2011.

15 Contingent liability

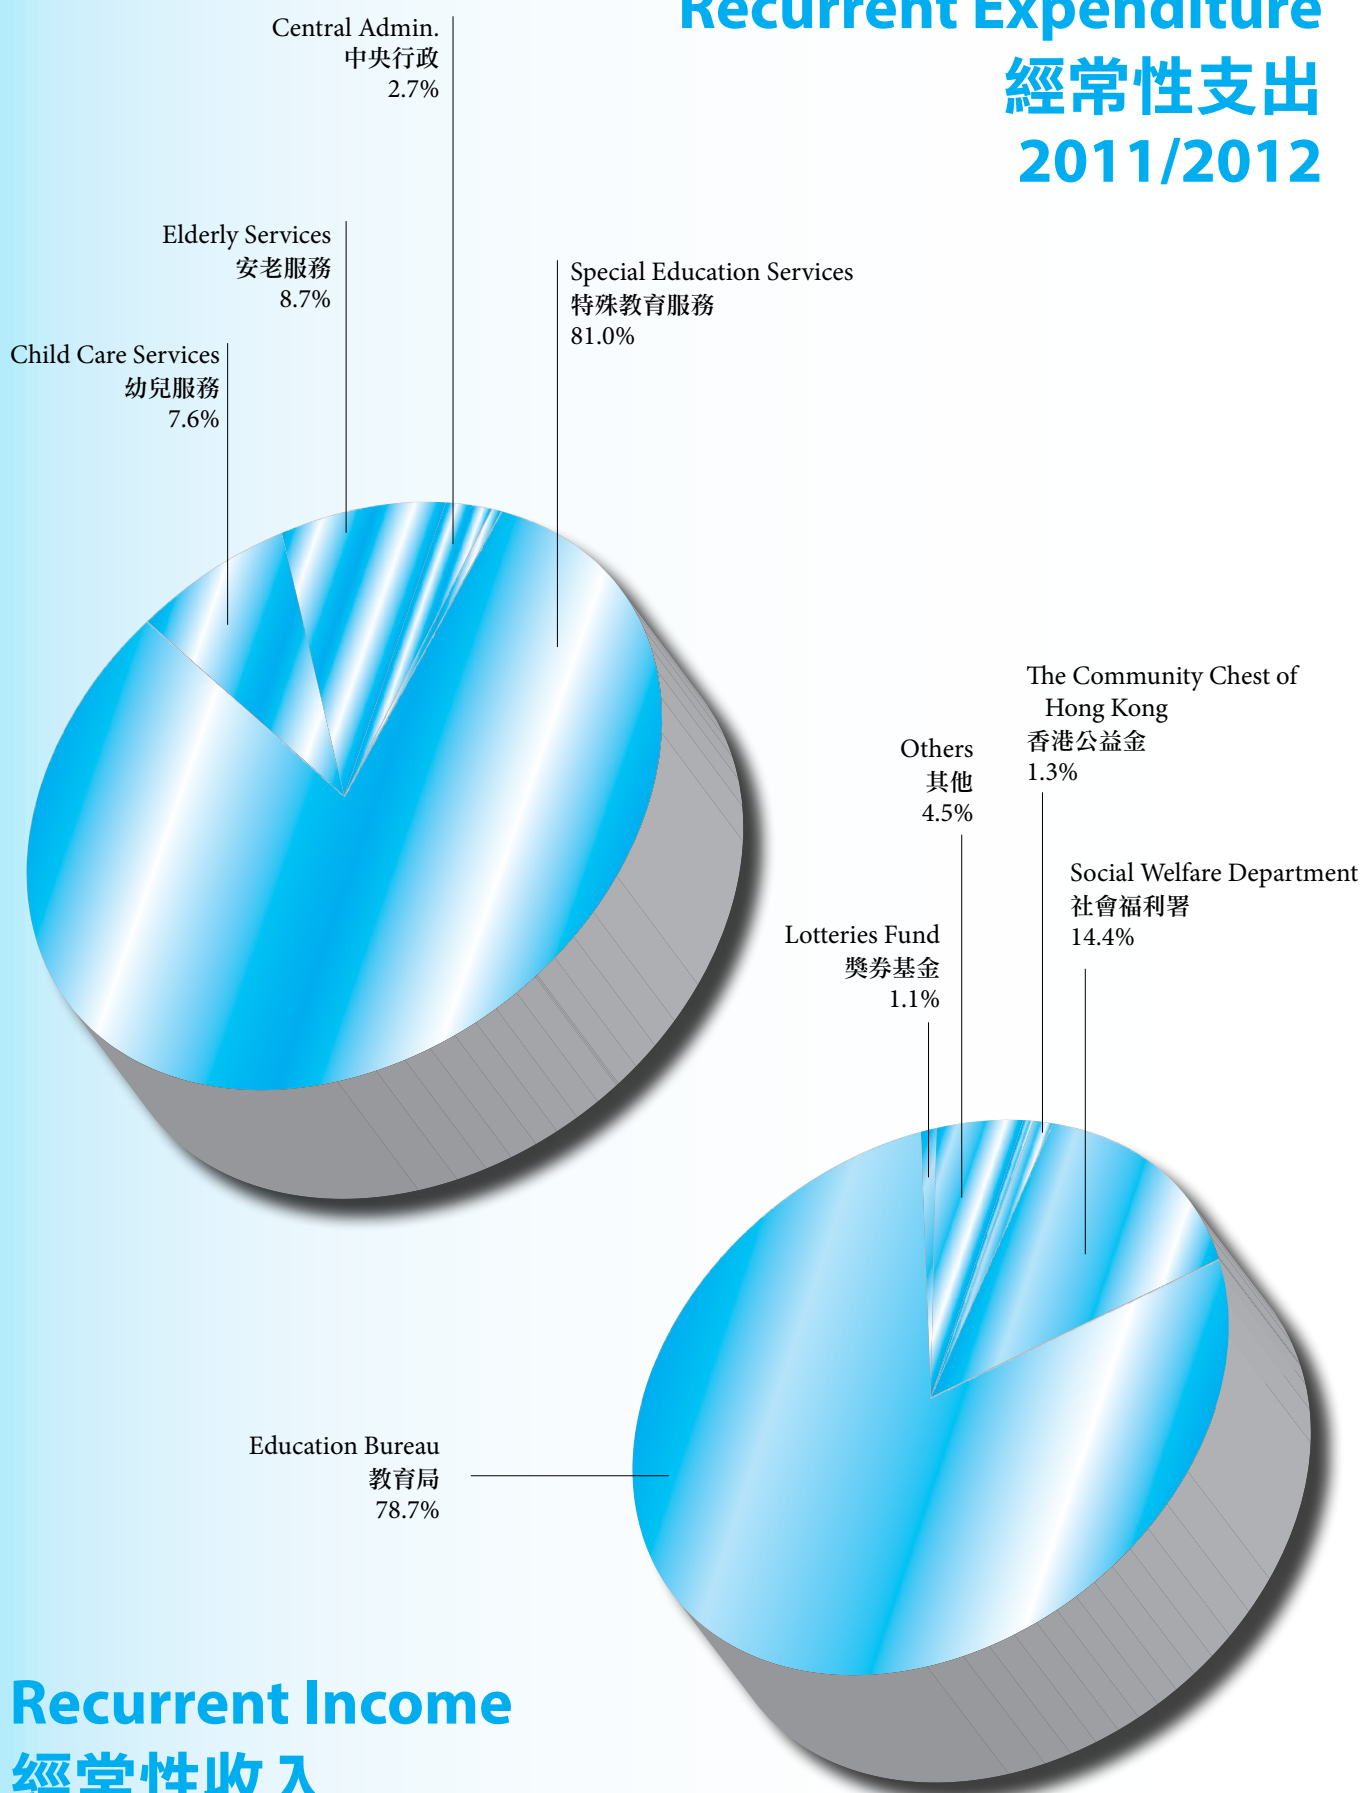

At 31 March 2012, there was a contingent liability in respect of recurrent and non-recurrent grants received from the Hong Kong Government which may be repayable should the company cease to operate an approved grant and/or subsidised school.

16 Possible impact of amendments, new standards and interpretations issued but not yet effective for the year ended 31 March 2012

Up to the date of issue of these financial statements, the HKICPA has issued a number of amendments and Interpretations and one new standard which are not yet effective for the year ended 31 March 2012 and which have not been adopted in these financial statements.

The company is in the process of making an assessment of what the impact of these amendments is expected to be in the period of initial application. So far it has concluded that the adoption of them is unlikely to have a significant impact on the company's results of operations and financial position.

EBENEZER SCHOOL

Ebenezer School is at present the only school that provides mainstream curriculum for the visually impaired students. There are 72 students from P1 to S3 up to 31 March 2012. Among them, there are 47 boarders and 25 day students. The dormitory has 72 boarders altogether, including 25 integrators in mainstream schools. The Resource Support Programme (RSP) for the visually impaired students is expanding. There are 185 service users integrated in 73 participating special schools, as well as mainstream primary and secondary schools.

- This year is the final year of our “3-Year School Development Plan 2009-2012”. To work out our next 3-year School Development Plan (2012-2015), we held a staff development day to engage our professional staff to review our work in the past 3 years, making reference to external and internal school assessment reports. The staff have come to a consensus that for the next three years, we would focus on four areas of concern - enhancing learning and teaching as well as school management through effective use of information technology; promoting a reading culture; enhancing learning and teaching through effective use of assessment data; and strengthening the leadership and management skills of middle managers.
- Starting from September 2010, Ebenezer School and the Education Bureau (EDB) jointly conducted a comprehensive review of our Resource Support Programme (RSP) for visually impaired students studying in other schools. The focus is on the support strategy and the efficacy. We are pleased that our work has been duly recognized by the EDB. We have impressed the EDB that the cash grant approach makes it difficult for the School to retain experienced resource teachers and to maintain staff stability. In September 2011, we successfully got approval from the EDB to establish two additional regular teaching posts in lieu of cash grant. It is a boost to the morale of our contract staff. We are gearing up ourselves in preparation of the implementation of the various enhancement measures that will come up in the review and look forward to more innovative support to integration education.
- This year, there have been frequent personnel exchanges. Professionals and organizations from Hong Kong, China and overseas visited our school to share experiences in training the visually impaired students. We are also privileged to have the help of volunteers and caring companies from various sectors in organizing the variety of learning activities for our students.
- In October 2011, we collaborated with the EDB and the 30th Shell/ JC Scholarship for the Disabled in promoting an inclusive school campus. 35 sighted students from five mainstream schools participated and experienced how life was like by blindfolding their eyes. We hope that through this kind of activity, the sighted peers of our visually impaired integrators would understand better the challenges faced by our visually impaired students in learning and life.
- The theme of civic education this year was “Love and Care in Campus”. Teachers, alumni and students shared their stories in Ebenezer. For the first time, our school published a book titled “Those were the Days in Ebenezer” to commemorate the life of teachers and students at Ebenezer.
- Field trips outside of Hong Kong provide an alternative mode of learning for our students. 5 secondary students participated in the “Let Love Fly” variety show in Shanghai and the “Hangzhou Paralympic Games Tour”. In January 2012, S.3 students went on a field trip to Guangzhou and after the journey they made use of IT to produce the audio and visual aids for project presentation.
- To cater for the needs of the visually-impaired integrators at mainstream secondary schools, our boarding section established the Venture Scout regiment. In line with the New Senior Secondary (NSS) curriculum, the activities provide students with a chance for personal development and social services.
- Students have made remarkable achievements in study and sports. Integrators Tsang Tsz Kwan and Ho Yui Chi received scholarships from “Li Chu Shuk-kwan Education Fund Award”; S.3 students Chan Lok Yee received the “Hong Kong Island Southern District Outstanding Students Award 2011”; and Leung Ming Shan received the “A.S. Watson’s Group Hong Kong Student Sports Awards 2011-2012”. Our students also participated in the 10 km race of the Standard Chartered Hong Kong Marathon 2012 for the fourth year in a row. With this year’s “Marathon 101 Education Programme”, our students and students from mainstream schools were made partners in practice and race. Two integrators finished the half marathon on their first attempt.
- Our students showed their singing talents in the Carol Singing Festival and the Lunchtime Recital “Praise God for His Grace” at St. John’s Cathedral. Some students also took part in the DJ training course at Commercial Radio and co-hosted a short programme
- There has been a growing number of new intakes who have other disabilities than visual impairment. These

Ebenezer School and Home for the Visually Impaired

students are experiencing various developmental difficulties in learning and self-care. They might require therapeutic services (physio-, occupational, speech and music therapies (4T)) which are not provided by the EDB. With the 3-year funding of \$2,124,000 from the Community Chest, we have been able to maintain the 4T services from September 2011 through August 2014. We employed our own speech therapist and occupational therapist. For first time, we introduced play therapy and art therapy to provide more innovative care for students in need, with the funding from Chen Yang Foo Oi Foundation Limited.

- We have made innovative progress in Cerebral Visual Impairment (CVI) training. Our teachers have developed free mobile device applications for low vision training and for CVI students. The applications were launched on the App Store of the Apple Shop Online in March 2012. In addition, we have worked out plans to set up a “CVI Training Room” and a “Dark Room” to enhance low vision and Orientation & Mobility (O&M) training. Between 6 and 18 January 2012, we co-organized with the Hong Kong Society for the Blind a training course for teachers on ‘Supporting Learning Needs of Students with CVI’.

童軍遠足活動

- With donations from Sir Robert Ho Tung Charitable Fund, D.H. Chen Foundation, “Love Ideas, Love Hong Kong” of Li Ka Shing Foundation and American Women’s Foundation, our school was able to top up our school IT facilities. We have set up an IT Development Group to explore the use of iPad in rehabilitation training and learning. We have also made wider use of e-books and voice labels on Library books as part of our strategy to promote students’ reading habit.
- We are keen to take part in joint school activities so as to enrich our students learning experiences. To cite some major ones -
 - our Lion Dance Group participated in the “Joint School Special Talent Show 2011”.

- We continued the “Sister Schools Scheme” with Ying Wa Girls’ School sponsored by the Lions Club of Tai Ping Shan”.
- We co-organised an activity on making dumplings at Tuen Ng Festival with Hotung Secondary School/.
- Joint activities were organised with Diocesan Boys’ School Primary Division, St. Paul’s Co-educational College Primary School as well as Braemar Hill Nursery School during their visits to Ebenezer.
- Pair-reading programme was organised by Independent Schools Foundation Academy (ISF Academy) for Ebenezer students and separately an English integration programme by German Swiss International School.
- The PTA has been our close partners. They organized family activities and rehabilitation workshops, such as IT in education for the visually impaired, O&M skills and life skills to help parents understand the needs of their visually impaired children. In one of the IT workshops, we introduced a new screen reading software and a Braille input programme so that parents can support their children’s learning at home.

We believe social recognition leads to social concern. If the public knows more about Ebenezer, they will give more support to the visually impaired. To make this happen, in 2011-2012, we proactively enhanced our network and collaboration with the EDB and various social sectors. Ebenezer School will continue to play a significant role in the development of education for the visually impaired.

心光學校

心光學校是現時全港唯一提供主流課程的視障特殊學校。截至2012年3月31日，小一至中三學生共有72名，包括47名宿生及25名日讀生。宿舍部有宿生72名，當中包括25名就讀主流學校的學生。視障學童支援計劃的服務規模正不斷擴大，本年支援來自73所不同中學、小學及特殊學校共185名學生。

本年度是「2009-2012三年計劃」的最後一年，本校培訓日以「跨越視障，步向未來」為題，總結外評與自評報告，檢視本校三年來的工作成效，制定「2012-2015三年學校發展計劃」。確立四個關注項目，包括「提升資訊科技教育，促進教學及行政效益」、「推動閱讀文化」、「利用評估回饋學與教」和「加強中層人員的管理效能」，並規劃未來三年學校的發展藍圖。

- 自2010年9月開始，教育局與本校因應校內發展新形勢，全面檢討「視障學童支援計劃」，重點為支援策略及資源教師工作成效。教育局十分認同該計劃的工作成效，特在2011年9月增設兩名常額編制學位教席，替代合約職位，減少教師流失，增強團隊士氣。待該檢討報告書內各項建議政策落實後，視障融合教育服務定能再上一層樓。
- 本年心光學校與社會各界交流頻仍，既有來自本地、國內及海外訪客，亦有各熱心義工服務人士及團體。本校亦抓緊各機會，精進服務。
- 2011年10月，本校首次與教育局及第30屆蠅殼/港島青商獎學金合辦「共融校園，齊見光明」的校園共融展能推廣活動。來自5間中學共35名學生戴上眼罩，親身體驗視障學生在學習和生活上的挑戰及適應方法。一天的歡樂共聚，為活動劃上一個完美句號。
- 本年度公民教育主題為「關愛校園」。學校邀請了教職員、校友和學生在週會分享心光生活的點點滴滴。學校更首次印製《點滴心光》師生文集，把師生情誼永誌書中。
- 境外交流是心光學生的新學習模式。本校挑選5名學生代表學校參加由上海盲校舉辦的「讓愛飛翔」才藝表演及「杭州殘奧運動會觀禮團」。此外，在2012年1月中三學生首次自行籌劃「廣州考察團」，活動完結後製作了一份廣集資訊科技

及影音傳意元素於一身的總結報告，向全校師生匯報。

- 宿舍部開設深資童軍團，藉各訓練及團體活動，豐富一群在主流學校就讀的寄宿學生的學習經歷，發展個人才能，服務社會，亦與新高中課程接軌。學校會不斷檢討已有資源運用及分配，探討持續發展的可行性。
- 學生的學業及體藝表現卓越。外讀生曾芷君及何睿知獲得「朱李淑鈞獎勵計劃」獎學金；本校中三級學生陳諾兒獲得「2011年香港島南區優秀學生獎」、中三梁明山獲得「屈臣氏集團香港學生運動員獎2011-2012」。他們克服視障的努力廣受社會認同。此外，2012年已是本校學生連續第四年出戰「渣打香港馬拉松」十公里賽事。有2名外讀生更首度出賽半馬拉松，越級挑戰成功充份體現心光學生自強不息的精神。透過「馬拉松101教育計劃」，一班健視學生夥拍本校學生出賽，彼此由訓練至比賽期間所建立的默契及友誼彌足珍貴。
- 心光歌詠團參加「聖誕兒童頌歌」、「聖約翰座堂午間音樂會」等公開表演。透過各類公開表

演，得以讓公眾認識本校學生的體藝潛能。學生參與由香港商業電台主辦的「DJ訓練班」，自行製作錄音片段，在電台節目內播放

- 近年來，學生除了視力方面的障礙之外，越來越多學生同時兼有肌能、感覺統合、語言及情緒等問題，影響學習。故此，不同的治療服務能有效幫助學生，提昇學習的效能。得到公益金贊助為期三年的撥款\$2,124,000，使我們得以在2011年9月至2014年8月推行4T（物理、職業、言語、音樂）治療服務。駐校言語治療師及職業治療師由原來向坊間機構購買服務改為由本校直接聘任。同時，學校又獲得陳楊福和基金有限公司撥款，進一步引入遊戲治療及藝術治療，為有需要的學生提供較到位的照顧。
- 低視能訓練組為大腦性視障及低視能學生所設計的學習軟件，已在2012年3月上載至蘋果網上商店，供公眾免費下載。本校正著手籌建「CVI訓練室」及「黑暗體驗室」，以完善低視能訓練及定向行走訓練設施。於2012年1月6日至18日期間，本院與香港盲人輔導會合辦「支援有大腦性視障學生的學習需要」課程，為特殊學校教師提供專業培訓。
- 喜獲何東爵士慈善基金、陳廷驊基金會、李嘉誠基金會「Love Ideas HK集思公益計劃」及美國婦女會基金分別撥款，資助本校添置資訊科技設備，推行視障學生資訊科技學習計劃。學校成立研發小組，研究在復康、學習等範疇應用平板電腦的可行性。並引入電子圖書及電子課本，利用

電子標籤製作發聲電子圖書，為學生提供無障礙閱讀環境，推動閱讀文化。

- 今年心光着重參加聯校活動，以擴開心光學生的接觸面，學生透過活動獲益良多，例子有：
 - 心光龍獅隊參加由教育局及香港電台合辦的「2011年特殊學校才藝日聯校表演」；

EBENEZER NEW HOPE SCHOOL

低視能訓練老師在講座中展示一些自製的訓練教材

Ebenezer New Hope School strives to provide comprehensive educational, rehabilitation and boarding services for students with intellectual disability, physical handicap and visual impairment. The total enrolment as at 31 March 2012 was 56 students including 11 day students and 45 boarders.

- The Community Chest kindly gave us a three-year grant of HK\$1,206,000.00 from the Standard Chartered Hong Kong 150th Anniversary Community Foundation for a time limited project “Integration of Physical Training, and Orientation and Mobility (O&M) Program for Visually Impaired Children with Multiple Handicaps” from 2011 to 2014. With this funding, we were able to employ an experienced Physiotherapist I and provide 20 additional training sessions per week for 20 students with multiple handicaps. We also further integrated O&M training elements into the Conductive Education task series. Besides, a detailed mobility assessment has been newly developed after extensive literature review and regular meetings with O&M teachers.
- For students with Cerebral Visual Impairment (CVI), our occupational therapists developed a set of training aids by applying assistive technology to CVI training strategies. 13 students took part in the training. The students showed good motivation and their eye-hand coordination improved.
- 16 students, aged 15 to 20, participated in a pre-vocational training programme. 5 students were referred to the Vocational Training Council for vocational assessment and 12 senior secondary students for work attachment at Day Attachment Centre (DAC) and Integrated Vocational Rehabilitation Centre (IVRC).
- The Speech Therapy Unit trained 12 students to be the “Little Master of Ceremony” during morning assembly. The two speech therapists also provided Social Skills Training to the “Reading Group” and “Creative Arts Group”. In addition, they organized a workshop on “Oro-Motor Training” for the staff at the Boarding Section as well as parents and caregivers at the beginning of the semester, so as to encourage the latter to carry on training at home setting and daily life of the students.
- Thanks to the support from Quality Education Fund (QEF), the Low Vision Team has recently published a book “Teaching Kits of Visual Training for Students of Multiple Disabilities”, introducing various teaching aids for visual training to professionals and parents. The book covers basic training techniques of vision, eye-hand coordination and basic visual muscle. The team organised a seminar on 26 August 2011 to introduce the book for professionals and parents. The feedback was very positive and the participants found the book useful.
- This year we learned how to improve teaching and learning of New Senior Secondary (NSS) Liberal Studies with the support from the Hong Kong Institute of Education (HKIED). Through the strategies and practice of inquiry learning, teachers understand how to better lead and structure a lesson.
- Our students have participated in a number of sports events this year. It was our first time joining the 35th Hong Kong Special Olympics Bocce Competition this year. 7 students participated in the competition and were awarded 1 gold medal, 4 silver medals and 2 bronze medals. Also, in March 2012 Chan Wai Shing received the “A.S. Watson’s Group Hong Kong Student Sports Awards 2011-2012”. Moreover, 12 students joined the horse riding training day sponsored by the Riding for the Disabled Association Ltd. It has enriched our students’ athletic experience and helped enhance students’ interest in sports.
- We would like to thank the Hong Kong Sanatorium and Hospital for providing visiting doctor services in April, July 2011 and February 2012. The doctors served 41 of our students in this programme. The Hospital also held three health seminars for our staff and parents, with a total of 93 attendants.
- To achieve the objectives of the school development plan, the Staff Development Committee continued to organize training activities for all staff. We provided induction programmes for new staff. We also visited several schools, namely The Mental Health

Ebenezer School and Home for the Visually Impaired

Association of Hong Kong - Cornwall School, SAHK Jockey Club Elaine Field School, Caritas Lok Kan School and Po Leung Kuk Yu Lee Mo Fan Memorial School, with a view to learning from their strengths and to drawing some inspirations for teaching and learning.

- A series of programmes were organised for parents and staff in the past year. For instance, 'Parents Respect Teachers Ceremony' was held on 8 July 2011 for parents to express gratitude to the teachers. A day camp was held on 31 July 2011 in Cheung Muk Tau Holiday Centre for the Elderly. A joint school seminar on 'Sharing on Training Tools of Low Vision Training and Orientation & Mobility Training' and a BBQ gathering for parents and staff were organized on 20 November 2011. A Christmas Carnival with games stalls, variety show and buffet was held on 18 December 2011. The Lunar New Year Get-together Dinner was held on 12 February 2012, where the parents and staff greatly enjoyed the catering service and the Lion Dance performance. With the good support of parents and staff, all the activities were well received.
- Thanks to the generous donation from S.K. Yee Medical Foundation, we were able to install such equipment as suction pump, digital seating weight, a stander, walking sling and transfer belt. We would also like to thank the Queen Elizabeth Foundation for the Mentally Handicapped for the donation of the computer-adapted switches and the American Women's Association as well as the Van Zuiden Charity Trust for the donation of percussion instruments and therapeutic listening equipment. With the use of newly purchased items and new rehabilitative equipment, we would be better equipped to enhance the functional abilities and quality of life of our students.

Apart from the donors, supporters, volunteers, I am grateful to all the staff of Ebenezer New Hope School who has given support in the delivery of quality services. We all share the same mission of promoting better services to our students. We strongly believe that with joint efforts of the staff and parents, our students will grow happily and develop their potentials to the fullest.

心光恩望學校

心光恩望學校為視障兼智障及弱能學生提供綜合教育、復康訓練及住宿服務。截至2012年3月31日，共有56名學生，當中包括45名宿生及11名日讀生。雖然學生的學習能力差距日益擴大，但各教職員仍秉持有教無類的精神，提供適切的學習環境及復康服務，促進學生的全人發展。

- 本年度我們獲得香港公益金支持，由渣打香港150週年慈善基金撥款共\$1,206,000.00，於2011-至2014年度，推行「視障兼多重障礙兒童《肌能訓練、定向行走融合計劃》」。本校利用部分資助聘請了一位經驗豐富的一級物理治療師，增加專業人手推行計劃。在創新的協作模式下，物理治療師及定向行走科老師合作，根據定向行走的課程框架，進行了大量的資料搜集，擬出詳細的活動能力評估表，並額外提供20節融合訓練給20名學生。
- 職業治療部為增強大腦性視障學生的手眼協調能力，設計了一套融合電腦輔助按鈕及大腦性視障訓練特色的教具，共有13名學生參與有關訓練，對學習動機及手眼協調能力均有提昇。
- 本年校內一共有16名15至20歲學生參與職前訓練，另轉介5名新高中學生前往職業訓練局接受工作技能評估，12位新高中學生到成人服務機構進行工作實習，為他們作離校前準備。
- 言語治療部新增「小司儀訓練」計劃，旨在訓練12名學生於早會時段擔當「小司儀」角色。此外，於多元化小組中，兩位言語治療師分別負責「故事小組」及「創藝小組」。言語治療部又於學期初為家長、家傭及宿舍部的同工舉辦了「口肌工作坊」，使口肌訓練能按學生個別需要於家居及宿舍得以繼續施行，融入學生日常生活流程。
- 在優質教育基金的資助下，學校出版了一本名為《藉著眼睛看見您：視障及多重障礙學童的視覺訓練手冊》，目的為家長及教育界同工介紹各類的視覺訓練教具；訓練內容主要按基本視覺訓練、視覺感知訓練、基本視覺肌能訓練等範疇而定。學校於2011年8月26日舉行訓練手冊的講座，得到家長及其他教育界同工的讚賞，反應熱烈。
- 在推行新高中通識科教學方面，我們與香港教育學院協作，透過「在通識教育科推展議題探究課程」校本支援服務，讓教師掌握帶領新高中通識科議題探究的教學技巧和合作學習的策略，以優化相關範疇的學與教。
- 本年度我們首次派出7名學生參加第35屆香港特殊奧運會之滾球比賽，勇奪一金、四銀、兩銅共7面獎牌。此項比賽不單擴闊了學生的學習體驗，亦加強了他們對運動的興趣。學生陳偉城

A good attempt on a lawn bowling practice
瞄準目標投擲草地滾球

獲取了「屈臣氏集團香港學生運動員獎2011-2012」。

- 感謝養和醫院成為我們的地區網絡伙伴，定期到訪提供義診服務。於2011-2012期間，合共為41名學生提供專業諮詢；又安排3次職員醫療健康講座，共93名職員及學生家長參與。
- 為配合學校周年發展計劃目標，教職員發展組籌辦職員培訓項目，擔當跨專業人員協作的協調角色。又為新入職的職員有計劃地提供導。此外，學校於本年度安排了多次的友校探訪，針對各友校的特色作交流，從中發和刺激同工的思維，以助學校的長遠發展策劃。
- 家長教職員聯會本年舉辦了多項不同類型的活動，包括敬師日活動、仲夏家庭日營、以低視能及定向行走訓練為主題的「健康講座暨燒烤聚會」、「聖誕嘉年華」，以及「天倫樂聚慶新春」，上述活動得以順利舉行，實有眾家長及教職員的鼎力支持。
- 感謝余兆麒醫療基金贊助購買吸痰機、電子磅、企立起重機、步行帶及移位帶；伊利沙伯女皇弱智人士基金分別捐贈贊助電腦輔助按鈕及器材，美國婦女會及萬瑞庭慈善基金捐贈敲擊樂器及聽樂感統治療用具。添置的新器材能大大提昇本校多重弱能學生的功能活動和生活質素。

最後，我要感謝本校所有同工在過去一年盡心盡意為學生提供優質服務。我們深信在各位教職員和家長的共同努力和悉心培育下，學生得以快樂成長，盡展潛能。

Dr. Constant Cheng, a volunteer at Ebenezer for over 20 years, retired in 2011. In order to express our gratitude to Dr. Cheng for his unfailing support and care for our residents, a souvenir was presented to Dr. Cheng by Mrs Fanny Lam, our Chief Executive Officer, in the ceremony

CHRISTIAN MINISTRY

115th Anniversary Thanksgiving Service
115週年感恩崇拜

Christian Ministry takes up religious work within the organization and the operation of Christian Ministry to Former Students. The former involves arranging religious activities within the organization and liaising with local churches; whereas the latter's service involves visiting alumni, assisting in application of social subsidies, coordinating fellowships and organizing other evangelical activities. Continuous prayers are great support to us.

I Religious Work

- 2011 Summer Camp, with the theme 'The Joke of the Lord', was held in Steven Lo Kit Sing Pak Tam Chung Holiday Camp, where participants had better understanding of God's work in their daily life. "Let them thank the LORD for his steadfast love, for his wonderful works to humankind." (Psalm 107:21)
- We successfully established Christian Parents Fellowship (CPF) to let the parents support each other via worship and serve one another in Christ. "For where two or three are gathered in my name, I am there among them." (Matthew 18:20)
- The Thanksgiving Service in celebration of Ebenezer's 115th anniversary was held on 18 January 2012. We were honoured to have the Most Rev Paul Kwong from Anglican Church as our officiating guest. The Most Rev Paul Kwong began with a bible verse "A bruised reed will he not break, and a dimly burning wick will he not quench." (Isaiah 42:3) He reminded us that the service of Ebenezer was based on the love of the Lord Jesus Christ who served us with humility so we should let the kingdom of God be significant in the world. He also encouraged our visually impaired members that despite their disabilities, they could also contribute to society.

II Christian Ministry to Former Students (CMFS)

Alumni and residents

- Up to 31 March 2012, we served a total of 501 former students, including integrators and former students of Ebenezer School and Ebenezer New Hope School. We paid around 423 visits to our former students throughout the year. We made visits to work places such as sheltered workshops and massage centres, where we could understand more about their working environment and what we could do to help facilitate their work. We were also glad to have more former Christian students and volunteers who joined us for the visits. We praised the Lord that some hidden alumni were willing to join community again.
- We met with the residents of our Care & Attention Home at the monthly Fuk Lok Fellowship. Over 25 residents joined this group and enjoyed the activities of the programme. Our alumni and volunteer helpers sang Chinese Christian Opera songs to celebrate Easter with the elderly residents. One resident committed herself to Christ.

Programmes with Christian Ministry to Visually Impaired Persons (CMVIP)

- The Fuk Kwong Fellowship now has six cell groups (Women, Men, Elim, Andrew, Timothy, and Canaan) with an average of 8-9 members each. There were three Fuk Kwong Joint Functions this year, namely Music Exchange Forum on 14 May 2011, Hymn Rally on 17 Sep 2011, and an Outdoor Activity on 4 Feb 2012. Participants of these programmes found gatherings enjoyable.
- Our Annual Former Students' Summer Camp on 8-10 July 2011 attracted 44 participants. Three musical workshops and a bible musical drama were organised in the camp. The participants' response was very positive and they enjoyed learning from the musical workshops .
- The Evangelical Explosion III (EEIII) group organized a joint evangelical rally in Shek Pik Prison on 26 December 2011. It was a nice occasion for the members of EEIII group to participate in the evangelical rally and to preach the gospel to the prisoners and we praised Lord that more than ten persons made their commitment to receive Jesus Christ.

Annual Events and Ebenezer School Alumni Association (ESAA)

- The fourth committee of the ESAA was elected on 10 July 2011. 55 alumni attended, of whom 6 were elected as committee members. We had a reunion evening dinner that night. In August, one alumnus was appointed as a committee member by the newly-formed committee. As at 31 March 2012, there were altogether 203 members (Permanent: 162, Annual: 41).
- The Former Students' Christmas Celebration on 10 December 2011 was one of our big events. About 160 former students and their families joined the worship service. They felt happy to be able to re-connect with one another during the event.
- All former students will be assigned into different groups according to their needs in order to better plan

the programmes and follow-up visits. We would also continue to set up a force of Christian former students and volunteers to help with the evangelical work and to pay visits to the former students in order to show our love and care.

福音事工

福音事工部包括院內宗教工作及校友福音事工。院內宗教工作是負責全院的宗教活動及教會的聯絡。校友福音事工主要是探訪校友、協助申請社會資源、組織校友團契和福音活動。福音事工部是需要各界的支持與代禱。

I. 院內宗教工作

- 2011-2012年度的夏令營已於西貢保良局北潭滙渡假營舉行，主題為「上帝搞爛GAG」，目的是讓我們從另一個角度來認識天父，在日常生活中看到天父的美意。是次活動除了一般的宗教活動外，還鼓勵同學們參與營內的活動，令學生有另類的感受和體驗。「但願人因耶和華的慈愛，和祂向人所行的奇事，都稱讚祂。」(詩107:21)
- 創立家長團契，目的是讓基督徒家長在主裏彼此扶持，透過一起同心敬拜，肢體間發揮恩賜功用，彼此服侍，建立基督的身體。「因為無論在哪裏，有兩三個人奉我的名聚會，那裏就有我在他們中間。」(馬太福音 18:20)
- 2012年是心光機構創院115週年的大日子。2012年1月18日於心光學校禮堂舉行了「創院一百一十五週年院慶感恩崇拜」，我們很榮幸邀請到聖公會鄭保羅大主教作主禮嘉賓。出席者除機構職員、學生及院友外，還有友校校長、教會代表及多位歷屆校友。鄭大主教以「壓傷的蘆葦祂不折斷；將殘的燈火祂不吹滅。」(以賽亞書42:3)勉勵我們，應以主耶穌服事人的愛心，來照顧那些需要幫助的人，肯定心光機構工作的價值與意義，使神的國能於地上彰顯。另外，也提醒視障人士，他們的殘疾也能造就別人，為這個社會作出貢獻。

II. 校友福音事工

校友及院友

- 我們現正服務501位校友，當中包括外讀生及恩望學校的畢業生。過往一年，我們共探訪了校友423人次。我們作訪庇護工場、按摩中心及其他校友的工作場所，以了解他們的工作環境，體會他們的需要。有時，我們還邀請一些基督徒校友一起參與探訪工作。讚美主，有些「隱蔽」的校友開始願意進入社群，接觸社區。
- 我們每月負責一次心光護理安老院的福樂團契聚會，約25名院友出席，樂在其中。復活節前，我們還邀請了一些校友及義工，以福音粵曲唱出神的救恩，有一位院友表示決志信主。

- 福光團契有六個小組（婦女組、弟兄組、以琳組、安得烈組、提摩太組及迦南組），平均約有8或9名組員出席。本年度共有三次合組聚會，包括2011年5月的「喜樂四重唱」音樂交流會、2011年9月的詩歌敬拜祈禱會、以及2012年2月的戶外旅行。各參與的組員踴躍投入，享受相聚時光。
- 一年一度的校友夏令營於2011年7月舉行，共有44名營友。營內安排了三類有關音樂的工作坊讓營友選擇參與，並有自導自演的聖經音樂劇於晚間舉行。營友反應良好，在過程中獲益良多。

- 視障三福隊於12月26日參與了石壁監獄的聯合佈道聚會，這是一次很好的體驗，大部份視障三福隊員皆是初次向監友講道。感謝主，有十多位監友決志信主。

年度活動及心光學校校友會

- 第四屆心光學校校友會執行委員會6名成員於2011年7月10日週年會員大會中選出，有55名校友出席，於8月中更委任一名會員入閣。截至3月31日，校友會總共有203名會員（永久：162名，年度：41名）。
- 校友聖誕崇拜暨聯歡會為年度盛事，於2011年12月10日舉行，約有160名校友及家屬出席共聚情誼，十分欣悅。

EBENEZER CHILD CARE CENTRE

Happy to make friends with the pets
很開心呀！可以跟小狗做朋友

Upon the government's streamlining of pre-school services, the Preparatory Class at Ebenezer was transformed to a special child care centre with residential service in September 2006. We provide tailor-made educational and rehabilitation training programmes to maximize the learning potential of our children. The total enrollment as at 31 March 2012 was 31 while 8 of them were boarders.

- With the newly recruited speech therapist and the installation of oro-motor training aids funded by the Variety, the Children's Charity-Hong Kong Tent 88, our children were able to receive an all-rounded speech therapy programme for treatment of feeding problem and articulation problem.
- We would like to thank The Community Chest for sponsoring the Music Therapy classes. Through the use of the musical instruments and singing songs, the children were more motivated and found to be more attentive and active in communication.
- With the donation from Braemar Hill Nursery School, a multimedia rehabilitation training station and a functional training room were set up to integrate IT into daily routine rehabilitative training and to promote the use of IT to enhance teaching and learning across the curriculum.
- We would like to thank SK Yee Medical Foundation for their generous donation which enabled us to purchase

occupational therapist and physiotherapist equipments needed for more comprehensive training programmes for the motor development of children.

A birthday party
生日會

- Our children joined 'Group Ride Fun Day' organized by Riding for the Disabled Association in October 2012. Through the riding activities, the children could improve their truncal control and sitting balance.
- Outdoor activities were organized to enrich the learning experience of our children. These included visits to the Flower Show, Hong Kong Park and Sha Tin Park. Moreover, the children learned to love and protect the animals through close contacts with the dogs and cats from the Doctor Pets' regular visits.
- To strengthen the bondage between parents and children, we organized parent-child activities regularly. Our teachers and therapists would also give advice for home training on the occasions.

I would like to convey our sincere thanks to our staff and parents for their devotion and support to the Centre. We aim to integrate with the Early Intervention Programme to synergise the resources and expertise to strengthen our pre-school services.

心光幼兒中心

因應政府對學前服務的分流政策，心光學校的預備班在2006年9月轉型為一所兼有住宿服務的視障幼兒中心。心光幼兒中心因應視障幼兒各種視能情況及發展需要提供優質的設施及學習環境，讓他們能有效地運用視能學習及促進各方面的發展，減低日後生活及學習上的障礙。本年度幼兒中心共有9位學童修業期滿畢業。截至2012年3月31為止，中心共有31名學童，當中包括8名宿生。

- 本年度心光幼兒中心新增聘言語治療師及得到「童心·藝力」香港88營贊助言語訓練器材，加強幼兒口肌及社交溝通訓練。
- 我們感謝香港公益金贊助「音樂治療」課程。藉著詠唱及樂器運用，使學童溝通技巧有所提昇，亦能應用在生活之中。
- 承蒙寶山幼兒園家長慷慨捐款，我們利用部份捐款於中心增設多媒體復康訓練角，結合科技於復康訓練當中，提昇學童學習興趣，亦改善幼兒專注力的發展。
- 喜獲余兆麒醫療基金贊助，中心得以添置職業治療及物理治療用具，配合治療訓練，改善學童的體能發展。
- 2011年10月，中心參與香港傷健策騎協會舉辦的「騎馬同樂日」，學童能透過騎馬活動加強軀幹控制，改善坐姿平衡及體能發展。

- 為豐富學童的學習經驗，本中心舉辦多項切合每月主題的戶外學習活動，例如：參觀花卉展覽、香港動植物公園、沙田中央公園及參觀消防博物館等。另外，動物醫生到訪，讓學童能近距離接觸動物，學習愛護牠們。
- 透過家長日及親子活動，加強家長與本中心溝通。另外，治療師及老師為每位學童提供家居訓練建議，加強家校合作及協調，讓學童於中心及家中得到一致性訓練。

EARLY INTERVENTION PROGRAMME

A fun day on Lamma Island
樂遊南丫島

This service started off as a pilot project of Ebenezer School and Home for the Visually Impaired. It was established in September 2000 and funded by the Quality Education Fund and Drs Richard Charles & Esther Yewpick Lee Charitable Foundation for 2 years. With the support of Hong Kong Jockey Club Charities Trust, the programme continued after the two years and was further developed to serve more children in need.

With the aim of providing early identification and early intervention, the Early Intervention Programme rendered tailor made visual training sessions individually or in groups. The objective of the individual assessment and training was to enhance children's self awareness of their body parts. The children learnt to establish their own visual strategies in learning and used their residual visual abilities to explore the world around them. Through group training, we were able to promote parent involvement and interaction among children.

- In 2011-2012, 76 visually impaired children aged 0-6, with nearly 70% of whom were with other disabilities, joined our programme. These cases were generally referred by ophthalmologists, optometrists and social workers of the Children Assessment Centres whereas in some cases, the parents directly approached us. We provided a total of 994 individual sessions and 32 group sessions for the 76 children, 539 centre and 455 out-reach home training sessions.
- We also put emphasis on parent education and involvement so as to enhance the training effect. We organised parent groups to facilitate our parent education programmes and sharing of experiences as well as emotional support among themselves. Through the parent groups, they were better informed of the community resources available to support their

children at different developmental stages. Skills learnt during our regular individual trainings, music therapeutic groups, swimming groups, multi-sensory groups and primary preparation classes enabled parents to practise with their children at home.

- To strengthen family bondage and child-parent relationships, we held New Year Barbecue activities and Lamma Island Tour this year. These activities provided a chance for our staff to learn more about the children's family life.
- We also provided 37 sessions of professional advisory and support services to various organizations including special child care centres, kindergartens and special schools. We demonstrated to our counterparts the training skills and the use of training aids, with emphasis on the importance of working out a holistic visual training strategies to better cater for the developmental needs of the visually impaired children.

With the support from the Community Chest, we have received a donation of \$1,999,224 from the Standard Chartered Hong Kong 150th Anniversary Community Foundation to start a three-year pilot project "Ebenezer Seed project - Preschool-based Supportive Service", which is supplementary to the Early Intervention Programme. The Seed Project aims to enhance the knowledge and awareness of parents, teachers and the community about the children's visual development. We hope that through professional assessment, training, public education as well as collaboration with parents, teachers and the community, we can identify the rehabilitation and educational needs of the children as early as possible. With timely training, the children's visual performance, confidence and independence can be enhanced and hence their quality of life too.

I would like to convey our sincere thanks to our staff and parents for their devotion and support to our pre-school services. To more effectively implement the early identification and intervention for the visually impaired children, we aim to integrate with Ebenezer Child Care Centre to synergise the resources available and the expertise we have accumulated.

視障幼兒支援服務

心光盲人院暨學校於2000年獲優質教育基金及利銘澤黃瑤璧慈善基金贊助，開設了一項為期兩年的創新服務 - 視障幼兒教育支援服務。往後得到香港賽馬會慈善基金資助，使服務得以繼續推行及發展。很感謝該信託基金於本年度續批往後三年的資助款項。

本服務以及早識別及介入的理念，透過個別訓練及小組活動為視障幼兒提供適切的服務，提高視覺學習的效能及生活上的適應。個別訓練旨在因應個別兒童的視覺能力提供針對性訓練，以提升幼兒對身體部份認知，並學習建立合適的視覺策略及運用剩餘視力去探索世界；而小組活動則讓幼兒能在群體訓練活動中互相學習。

- 本年度共為76名0-6歲之視障幼兒提供32節小組訓練及994節個別訓練，當中包括539中心及455外展訓練服務，約有70%為視障兼多項弱能幼兒。當中大部份個案由眼科醫生、視光師、兒童智能測驗中心社工轉介。小部份個案由家長自行申請。
- 我們着重家長教育及參與，以提升訓練效能。為此，我們組織家長小組，透過不同類型的教育講座及活動，讓家長能對視障幼兒於不同成長階段的需要有更深刻認識，亦更了解社會給予視障幼兒資源及支援。我們於本年度舉辦的小組活動包括音樂治療、游泳小組、感知肌能小組、小一適應小組及講座。家長從小組及定期訓練中學到的技巧有助於家中訓練幼兒，更能促進親子關係。家長亦從中交流育兒心得，互相扶持。
- 本年度亦舉辦不同的親子活動，包括新春燒烤活動及南丫島活動。透過這些戶外活動，增加家長

與幼兒的溝通及整個家庭凝聚力。同時，各家長能在活動中與中心職員分享更多幼兒的日常生活情況。

- 我們於本年度提供了37節專業諮詢及支援予外間機構，包括定期到訪特殊幼兒中心、幼稚園及小學，講解及示範視障幼兒的訓練方法及教材，並與其他機構的治療師及老師分享個別幼兒視覺訓練策略如何帶動其他範疇發展，使幼兒能得到更全面發展。

為使服務更多元化，我們於2011年獲公益金支持由渣打香港150週年慈善基金撥款\$1,999,224推行為期三年「點亮·心苗計劃」，加強老師、家長及社區人士對兒童視覺發展的關注，並進一步認識視障兒童在成長過程中的需要。我們期望透過專業的評估、治療和社區教育，聯同家長、老師及社區人士協助，及早識別有視覺訓練需要的幼兒，並提供適切的服務，以提高幼兒視覺學習的效能及生活上的適應，改善未來生活質素。

本人謹代表心光視障幼兒教育支援服務單位向所有支持我們的家長及同事獻上衷心感謝，我們會以及早介入為宗旨，與心光幼兒中心互相配合，有效地運用資源及發揮所長，使心光學前服務更多元化，持續發展。
