Ebenezer is a voluntary agency founded in 1897 by Hildesheimer Blindenmission. Ebenezer works in co-operation with other voluntary agencies and government agencies, committed to serving the visually impaired community of Hong Kong.

Financial Support

Initial support for Ebenezer came entirely from the Hildesheimer Blindenmission and from private donations in Hong Kong and abroad. In 1954 Ebenezer received its first subvention from the Social Welfare Department and the Education Bureau in Hong Kong to maintain its existing and new programmes. Ebenezer is also a member of the Community Chest, and receives support from the Hong Kong Jockey Club and private donations.

All the services of Ebenezer are founded in the Christian faith. It aims to provide comprehensive educational, rehabilitation and recreational training in a residential setting for the visually impaired, mentally handicapped and elderly. Report from Chairman and Chief Executive Officer

2012/2013 has been an eventful year. Starting in February 2012, we celebrated Ebenezer's 115th anniversary with an inaugural service, followed by a series of activities including a marathon run, music activities and photography exhibitions by our visually impaired students. The finale was our Open Day and Charity Bazaar on 24 March 2013, officiated by Mrs Cherry Tse, JP, Permanent Secretary for Education. On this occasion, we premiered our newly produced corporate video which introduced our various services and activities. It was a memorable and exciting event, and has helped strengthen our ties with community. We were encouraged by the large number of visitors and the presence of many guests who in turn were greatly impressed by the work, talents and performances of our students.

It has been our motto to 'Strive ever for excellence' and innovation to keep up with the changing needs of the visually impaired community. In this respect, we have successfully accomplished one of our goals to re-introduce guide dogs to Hong Kong. For this venture called 'Four Dogs Four Users', we teamed up with The Hong Kong Society for the Blind and in July 2012, the first batch of two visually impaired persons were sent to a guide dog training school in New York. On completion, they returned to Hong Kong with their guide dogs where their arrival was much heralded. In March 2013, the second batch of two guide dog users completed their training at the same guide dog training school and returned with another two guide dogs. The newly incorporated Hong Kong Guide Dogs Association helps with the daily care of the four guide dogs. We now have four active teams of guide dogs and users in Hong Kong, and with their guide dogs, the users are benefiting

from the greater independence that this programme offers. We are glad to see that through publicity and public education, the guide dogs have been gradually accepted and supported by the people of Hong Kong. Our special thanks to the concerted efforts of the various organisations that assisted with this initiative.

Since its inception 10 years ago, our Early Intervention Programme (EIP) for children has been well received. However, due to resource constraints, there has been a long waiting list. To address the need for timely assessment and intervention, we have successfully supplemented the EIP with a seed project sponsored by the Community Chest. The seed project, newly launched in early 2013, has the dual objectives - to provide eligible children on the waiting list with interim training; and to collaborate with the Hong Kong Polytechnic University School of Optometry to identify, assess and suitably address pre-primary children's vision problems on a wider scale.

In view of the new developments in education, in particular the New Senior Secondary curriculum, we, in partnership with the Education Bureau (EDB), started a review of our 'Resource Support Programme' (RSP) for visually impaired students studying in other schools. We completed the review report in the summer of 2012 and have already started implementing the enhancement measures. We are pleased that the EDB has duly recognized the effectiveness of the Programme and commended the professionalism of our resource teachers.

We have constantly kept ourselves abreast with the advancements in IT and assistive technology in education and rehabilitation for the visually impaired. We have made some breakthroughs in this regard – a designated room on cerebral visual impairment (CVI) training has been set up; tailor-made iPad apps on low vision training as well as for visual training and targeted at students with intellectual disabilities have all been developed. Again, we have partnered with the EDB to form a new working group to look into the strategy of making good use of IT and assistive technology in teaching and learning.

In line with the implementation of school-based management, we made good progress with the establishment of the incorporated management committees (IMC) for Ebenezer School and

Ebenezer New Hope School. The respective IMC constitutions had been approved by the EDB. We have completed drafting of the Operating Agreement between Ebenezer as school sponsoring body and the IMCs of the two schools. Other necessary tasks to ensure compatibility with our protocols include, the review of our Memorandum & Articles, the re-arrangement of the accounts and assets, and the election of teacher manager, parent manager and alumni manager. We expect the IMC systems for the two schools to be ready and set up by the summer of 2013. Our thanks to Mr Mike Scales, Chairman of the Education Committee under the Board, who is taking a leading role in this long and laborious compliance process.

In preparation for the set up of the IMCs and the future developments of Ebenezer, we saw the need to strengthen the membership composition of our Board. We invited Ms Ellen Tsao to join the Board and are privileged that she has accepted. Ms Tsao's legal background and knowledge about Ebenezer would surely be an invaluable help to the Board.

A major senior staff change took place at Ebenezer School. Mr Denny Lam Kwok Wai, Ebenezer School Principal and Deputy CEO of the Organisation resigned with effect from 1 September 2012. We were pleased that we had successfully recruited Mr Remy Wong to join us. Mr Wong has duly acquired

the Certificate for Principalship. His previous school experience has enabled him to obtain a good grasp of the job and he has quickly established himself as a leader and is earning the respect of the teachers.

Our school relocation project has continued to have encountered considerable difficulties in obtaining a new site. We have been offered a few sites but they have failed to pass the scrutiny of the feasibility studies conducted by the Board. The Board greatly appreciates the challenging work undertaken by Professor Brian Duggan who leads the project. Despite the abortive efforts, the Board would continue to work hard to make this project happen for the future good of Ebenezer.

We continue to uphold our vision of becoming the centre of excellence for education for the visually impaired in the region. We are proud that some of our staff have achieved wide recognition in the

field of visually impaired education in Hong Kong where they have been actively engaged by the EDB and other training institutes. We have also been proactively enhancing Ebenezer's role as a resource centre for professional support and exchange in education for the visually impaired.

Last but not least, we would like to express our sincere gratitude to the Hong Kong Government, our donors and partners, our volunteers, our dedicated staff, parents and fellow Board members for their support and encouragement, without which, we would not have accomplished so much and move ahead with confidence.

Thank you all.

Open Day & Charity Bazaar in celebration of the 115th Anniversary
115周年慶典活動 – 開放日及慈善賣物會

2012/2013年度，是別具意義的一年。我們在2012年2月舉行心光創立115周年感恩崇拜，隨後舉辦了一連串慶祝活動，包括組織長跑隊參與渣打馬拉松賽跑、音樂會、攝影展覽等。壓軸節目是心光機構全院總動員，於2013年3月24日舉辦開放日暨慈善賣物會，我們很榮幸邀得教育局常任秘書長謝凌潔貞太平紳士蒞臨主禮。當日，我們首播新攝製的機構短片，該短片由專業製作公司以嶄新角度拍攝，介紹機構的服務。這是心光首次舉辦如此大型的開放日暨慈善賣物會，反應熱烈，充滿歡樂及節日氣氛，更促進心光上下的凝聚力，加強社會對心光的認識。眾多社會人士親身參與，實在給予我們很大的鼓舞。他們對學生的學習表現，才藝表演印象深刻。

心光秉承「自強不息」的精神，在視障服務上時刻尋求創新，與時並進。心光與香港盲人輔導會合辦的「4人4狗導盲犬先導計劃」經過幾年的努力，於本年度成功引進導盲犬到港服務。2012年7月首批兩位視障人士獲保送往紐約一所導盲犬訓練中心接受為期26天的配對導盲犬和訓練後回港，為在香港停頓30多年的導盲犬服務豎立里程碑。2013年3月另外兩位導盲犬使用者也完成有關配對及訓練回港。新成立的香港導盲犬協會負責導盲犬日常照顧事宜。現時，該4位使用者已能在其導盲犬的引領下更靈活、安全和獨立在街上行走。透過公眾教育及宣傳，導盲犬已漸為香港市民接受及支持。這是一項歷史性的成就，是多個團體及人士努力協作，眾志成城之舉。

心光視障幼兒及早支援服務，自10多年前展開以來，甚受歡迎，輪候人數眾多。我們有感及早評估及及早介入的迫切性，去年我們成功申請公益金的資助，推展一項「點亮·心苗」計劃，為在輪候服務的家庭提供短期訓練服務，以達及早介入的目標，避免錯失幼兒最佳的訓練時機，同時又聯同香港理工大學為學前兒童提供視能評估，盡早識別學童的視力問題及提供適切服務。

因應新高中學制的推行，心光學校聯同教育局於2011年就「校外視障學童支援計劃」進行全面檢視。經過年多的工作，在2012年中完成並提交報告。我們已逐步落實優化支援服務的各項建議。心光學校的專業水平及開放態度，獲教育局官員的讚賞。

一直以來，心光利用資訊科技及助視器材的發展，促進學生的學習及復康訓練。心光學校累積過去訓練大腦性視障學生的經驗，新設立訓練大腦性視障學生的特別室。我們又成功自行開發電腦軟體，訓練低視學生的追視能力；心光恩望學校則運用平板電腦〔iPad〕，訓練患有大腦性視障學生。心光學校重組資訊科技教育小組，並夥伴教育局人員進行有關的研究，希望有策略地運用最新的資訊科技／輔助器材，提升視障學生的學習效能。

配合教育局校本管理的政策，心光學校和心光恩望學校的法團校董會憲章已得到教育局批核，我們隨後因應法律需要修訂心光機構章程，並草擬辦學團體與學校的約章，同時又重整財政資產及帳目，以配合管治架構的轉變；又按程序選出教師校董及家長校董，預期可於2013年8月按計劃順利成立兩校的法團校董會。我們很感謝校董會教育委員會主席施米高先生帶領這繁複的工作。

今年因應法團校董會的成立及心光未來發展需要，我們着意擴大董事會成員組合。我們很榮幸邀得曹依琳女士加入董事會，曹女士為剛退休律師，她的法律背景及視野給予董事會很多卓見。

另外，在心光學校任職校長兼副院長的林國偉先生於2012年8月離職，我們很高興聘得黃君保先生接任有關職位，任期由2012年9月1日起生效，黃先生已取得教育局校長認證資格，上任數月已掌握校長工作的要點，他的專業領導很快得到教職員的認同。

我們的校舍發展計劃在尋找新址上遇到不少困難，一波三折，在過去一年，我們曾積極考慮過一些選址，惜未能成功。我們很感謝鄧敬仁教授領導遷院計劃委員會勞心勞力，毋懼挫折，抱着忍耐樂觀精神，繼續為本院未來發展努力。

心光機構是香港唯一提供視障學童教育的機構，歷史悠久，培育及匯聚一批專業而有經驗的人才。我們積極參與培訓其他教

"4 Dogs 4 Users" Guide Dog Pilot Project
4人4狗導盲犬先導計劃

育機構的人員，先後獲邀請與香港教育學院、香港盲人輔導會、教育局合辦視障教師培訓課程，備受好評。

最後，我們衷心感謝政府、社會善長、義工、忠誠的員工及董事會的支持及鼓勵，使我們不斷進步，堅毅邁前。

謹此衷心感謝各位，主佑！

The operating results and the respective plant and equipment of the two schools will be spinned off / transferred out. They have been accounted for as discontinued operations and classified as held for sale as at 31 March 2013 respectively. However, we have grouped the continued and discontinued operations as one lump sum for the sake of comparison as follows:

Related expenditure of the various funds for the year amounted to HK\$7.7 million, leaving a balance of HK\$22.8 million in the funds.

We are most thankful to our major donors for their continued support throughout the year.

Balance Sheet

The balance sheet continues to be stable, with cash at bank and on hand of HK\$23.9 million. The balance on the designated funds is HK\$22.8 million.

Investment

Of the surplus funds which the Board has determined available for investment, approximately 41.2% has been invested in shares, with the balance being placed on time deposit with reputable banks in Hong Kong. The investments are made mainly in blue chip companies listed in Hong Kong and, in general, are held for the long term and for their attractive dividend yields when compared with low interest rates paid on HK dollar deposits.

A portion of the portfolio (approximately 15% of the invested portfolio) is traded more actively, with the aim of generating capital gains. Up to the end of this financial year, this portfolio has generated a realized profit of HK\$717,482. The remaining portfolio balance of HK\$3.4 million had an unrealized gain of HK\$661,000 at that time. The Board has delegated authority to the Finance Committee to make decisions on purchases and sales of this portion of the portfolio. Changes to the larger portfolio require Board approval, on recommendation from the Finance Committee. Updates on the total portfolio are given at each board meeting.

The portfolio is reviewed monthly by the Finance Committee, but more frequently when there is higher stock transaction activity or other market developments.

Notes to the Financial Statements

(Expressed in Hong Kong dollars)

1. Status of the company

The company is limited by guarantee, such that under the provisions of the company's memorandum of association, every member shall, in the event of the company being wound up, contribute such amount as may be required to meet the liabilities of the company, but not exceeding \$100 each.

The principal activities of the company are the provision of educational and boarding facilities for mentally and visually impaired children, as well as nursing facilities for elderly visually impaired people.

2. Significant accounting policies

(a) Statement of compliance

These financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards ("HKFRSs"), which collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"), accounting principles generally accepted in Hong Kong and the requirements of the Hong Kong Companies Ordinance. A summary of the significant accounting policies adopted by the company is set out below.

The HKICPA has issued certain new and revised HKFRSs that are first effective or available for early adoption for the current accounting period of the company. The adoption of these new and revised HKFRSs has no significant impact to the financial statements of the company for the current period.

The company has not applied any new standard or interpretation that is not yet effective for the current accounting period (see note 19).

(b) Basis of preparation of the financial statements

The company incurred a deficit of \$640,545 (2012: \$2,900,429) during the year ended 31 March 2013 and had net current liabilities of \$3,607,550 (2012: \$1,179,871) as at 31 March 2013.

Notwithstanding the above, the financial statements have been prepared on the going concern basis because included in the current liabilities is an income received in advance of \$11,159,059, of which \$10,911,106 was included in liabilities directly associated with assets classified as held for sale on the balance sheet (2012: \$10,440,408) from various government agencies in relation to the subventions which have not yet been utilised and recognised into the profit and loss as at the balance sheet date. In this connection, the directors consider that the income received in advance only represents the timing difference in the rendering of services required by these subventions. The directors undertake to continue to fulfil the requirements and responsibilities attached to these subventions and consider that these subventions would not become repayable to these government agencies.

The measurement basis used in the preparation of the financial statements is the historical cost basis except that the available-for-sale securities are stated at their fair value as explained in note 2(d).

The preparation of financial statements in conformity with HKFRSs requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

(c) Fixed assets and depreciation

Fixed assets are stated in the balance sheet at cost less accumulated depreciation and impairment losses.

Depreciation is calculated to write off the cost of items of fixed assets, less their estimated residual value, if any, using the straight line method over their estimated useful lives as follows:

– Furniture and equipment	5 years
– Computer equipment	3 years
– Motor vehicles	5 years

Both the useful life of an asset and its residual value, if any, are reviewed annually.

The carrying amounts of fixed assets are reviewed for indications of impairment at each balance sheet date. An impairment loss is recognised in profit or loss if the carrying amount of an asset, or the cash-generating unit to which it belongs, exceeds its recoverable amount. The recoverable amount of an asset, or of the cash-generating unit to which it belongs, is the greater of its fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. An impairment loss is reversed if there has been a favourable change in estimates used to determine the recoverable amount.

Gains or losses arising from the retirement or disposal of a fixed asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in profit or loss on the date of retirement or disposal.

2. Significant accounting policies (continued)

(d) Available-for-sale equity securities

Investments in equity securities, being those held for non-trading purposes, are classified as available-for-sale equity securities. At each balance sheet date the fair value is remeasured, with any resultant gain or loss being recognised in other comprehensive income and accumulated separately in equity in the fair value reserve.

Dividend income from these investments is recognised in accordance with the policy set out in note 2(j)(v). When these investments are derecognised, the cumulative gain or loss is reclassified from equity to profit or loss.

When there is objective evidence that available-for-sale equity securities are impaired, the cumulative loss that has been recognised in the fair value reserve is reclassified to profit or loss. The amount of the cumulative loss that is recognised in profit or loss is the difference between the acquisition cost (net of any principal repayment and amortisation) and current fair value, less any impairment loss on that asset previously recognised in profit or loss. Objective evidence of impairment includes observable data that comes to the attention of the company concerning the underlying financial stability of the investee as well as a significant or prolonged decline in the fair value of an investment below its cost.

Impairment losses recognised in profit or loss in respect of available-for-sale equity securities are not reversed through profit or loss. Any subsequent increase in the fair value of such assets is recognised directly in other comprehensive income.

(e) Receivables

Receivables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method, less allowance for impairment of doubtful debts, except where the receivables are interest-free loans made to related parties without any fixed repayment terms or the effect of discounting would be immaterial. In such cases, the receivables are stated at cost less allowance for impairment of doubtful debts.

Impairment losses for bad and doubtful debts are recognised when there is objective evidence of impairment and are measured as the difference between the carrying amount of the financial asset and the estimated future cash flows, discounted at the asset's original effective interest rate where the effect of discounting is material. Objective evidence of impairment includes observable data that comes to the attention of the company about events that have an impact on the asset's estimated future cash flows such as significant financial difficulty of the debtor.

Impairment losses for receivables whose recovery is considered doubtful but not remote are recorded using an allowance account. When the company is satisfied that recovery is remote, the amount considered irrecoverable is written off against the receivables directly and any amounts held in the allowance account relating to that debt are reversed. Subsequent recoveries of amounts previously charged to the allowance account are reversed against the allowance account. Other changes in the allowance account and subsequent recoveries of amounts previously written off directly are recognised in profit or loss.

(f) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other financial

institutions, and short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, having been within three months of maturity at acquisition. Bank overdrafts that are repayable on demand and form an integral part of the company's cash management are also included as a component of cash and cash equivalents for the purpose of the cash flow statement.

(g) Payables

Payables are initially recognised at fair value and subsequently stated at amortised cost unless the effect of discounting would be immaterial, in which case they are stated at cost.

(h) Employee benefits

Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and the cost of non-monetary benefits are accrued in the year in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material, these amounts are stated at their present values.

(i) Provisions and contingent liabilities

Provisions are recognised for liabilities of uncertain timing or amount when the company has a legal or constructive obligation arising as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

(j) Revenue recognition

Where a revenue item is attributable to designated funds, the revenue is allocated to the respective funds; all other revenue is allocated to general fund.

Revenue is measured at the fair value of the consideration received or receivable. Provided it is probable that the economic benefits will flow to the company and the revenue and costs, if applicable, can be measured reliably, revenue is recognised in profit or loss as follows:

- (i) Government subsidies are accounted for on an accruals basis.
- (ii) Donations are recognised when the company becomes entitled to the donations and it is probable that they will be receivable. Donations specifically relating to the acquisition of a capitalisable asset are recognised on a straight line basis over the estimated useful life of the corresponding asset (see note 2(c)).
- (iii) Income from boarding fees is recognised on an accruals basis.
- (iv) Interest income is recognised as it accrues using the effective interest method.
- (v) Dividend income from listed investments is recognised when the share price of the investment goes ex-dividend.

2. Significant accounting policies (continued)

(l) Non-current assets held for sale and discontinued operations

- (i) Non-current assets held for sale

A non-current asset (or disposal group) is classified as held for sale if it is highly probable that its carrying amount will be recovered through a sale transaction rather than through continuing use and the asset (or disposal group) is available for sale in its present condition. A disposal group is a group of assets to be disposed of together as a group in a single transaction, and liabilities directly associated with those assets that will be transferred in the transaction.

Immediately before classification as held for sale, the measurement of the non-current assets (and all individual assets and liabilities in a disposal group) is brought up-to-date in accordance with the accounting policies before the classification. Then, on initial classification as held for sale and until disposal, the non-current assets (except for certain assets as explained below), or disposal groups, are recognised at the lower of their carrying amount and fair value less costs to sell.

Impairment losses on initial classification as held for sale, and on subsequent remeasurement while held for sale, are recognised in profit or loss. As long as a non-current asset is classified as held for sale, or is included in a disposal group that is classified as held for sale, the non-current asset is not depreciated or amortised.

- (ii) Discontinued operations

A discontinued operation is a component of the company's business, the operations and cash flows of which can be clearly distinguished from the rest of the company and which represents a separate major line of business, or is part of a single co-ordinated plan to dispose of a separate major line of business.

Classification as a discontinued operation occurs upon disposal or when the operation meets the criteria to be classified as held for sale (see note 2(1)(i) above), if earlier. It also occurs if the operation is abandoned.

Where an operation is classified as discontinued, a single amount is presented on the face of the statement of comprehensive income, which comprises:

- the post-tax profit or loss of the discontinued operation; and
- the post-tax gain or loss recognised on the measurement to fair value less costs to sell, or on the disposal, of the assets or disposal groups constituting the discontinued operation.

4. Income tax

5. Discontinued operations

Pursuant to the requirement of Part IIIB of the Education Ordinance (Cap.279) and the board's decision on 21 March 2013, it was determined that the Incorporated Management Committee of Ebenezer School and the Incorporated Management Committee of Ebenezer New Hope School would be incorporated on 31 August 2013 to manage the operations of the company's Ebenezer School and Ebenezer New Hope School. The company transferred the operations of its Ebenezer School and Ebenezer New Hope School and certain assets, liabilities, employment contracts and contracts with various suppliers and service providers to the Incorporated Management Committee of Ebenezer School and the Incorporated Management Committee of Ebenezer New Hope School on 31 August 2013. Accordingly, the company's Ebenezer School and Ebenezer New Hope School are accounted for as discontinued operations and classified as held for sale as at 31 March 2013 (note 6).

16. Financial risk management and fair values

Exposure to credit, liquidity, interest rate and currency risks arises in the normal course of the company's operations. The company is also exposed to equity price risk arising from its equity investments in other entities.

The company's exposure to these risks and the financial risk management policies and practices used by the company to manage these risks are described below.

**16. Financial risk management and fair values (continued)****(a) Credit risk**

The company's credit risk is primarily attributable to accounts receivable for donations from various parties. Management does not foresee any significant credit risk from parties who fail to meet its commitments on donations.

(b) Liquidity risk

The company's policy is to regularly monitor its liquidity requirements to ensure that it maintains sufficient reserves of cash to meet its liquidity requirements in the short and longer term.

The following table presents the earliest contractual settlement dates of the company financial liabilities at the balance sheet date.

	2013	
	<i>Carrying amount</i>	<i>Within 3 months or on demand</i>
Accounts payable and accruals	\$ 31,822,195	\$ 31,822,195

In order to manage the above liquidity demands, at 31 March 2013 cash at bank and on hand \$23,938,613 (2012: \$38,467,201) are considered readily available.

(c) Interest rate risk

At the balance sheet date, the company does not have any assets or liabilities which expose the company to significant interest rate risk.

(d) Foreign currency risk

The company has no significant exposure to foreign currency risk as substantially all of the company's transactions are denominated in Hong Kong dollars.

(e) Equity price risk

The company is exposed to equity price changes arising from equity investments classified as available-for-sale equity securities (see note 8).

The company's equity investments are listed on the Stock Exchange of Hong Kong and the Stock Exchange of Singapore. Listed investments held in the available-for-sale portfolio have been chosen based on their longer term growth potential and are monitored regularly for performance against expectations.

At 31 March 2013, it is estimated that an increase/decrease of 5% (2012: 5%) in the prices of these equities would have increased/decreased the company's fair value reserve and total funds and reserves by approximately \$1,308,808 (2012: \$995,339).

(f) Fair values**(i) Financial instruments carried at fair value**

HKFRS 7, *Financial instruments*: Disclosures require disclosures relating to fair value measurements of financial instruments across three levels of a "fair value hierarchy". The fair value of each financial instrument is categorised in its entirety based on the lowest level of input that is significant to that fair value measurement. The levels are defined as follows:

- Level 1 (highest level): fair values measured using quoted prices (unadjusted) in active markets for identical financial instruments.
- Level 2: fair values measured using quoted prices in active markets for similar financial instruments, or using valuation techniques in which all significant inputs are directly or indirectly based on observable market data.

16. Financial risk management and fair values (continued)

(f) Fair values (continued)

(i) Financial instruments carried at fair value (continued)

- Level 3 (lowest level): fair values measured using valuation techniques in which any significant input is not based on observable market data.

At 31 March 2013 and 2012, the only financial instruments of the company carried at fair value were available-for-sale equity securities of \$26,176,150 (2012: \$19,906,772) listed on the Stock Exchange of Hong Kong and the Stock Exchange of Singapore (see note 8). These instruments fall into Level 1 of the fair value hierarchy described above.

(ii) Fair values of financial instruments carried at other than fair value

All other financial instruments are carried at amounts not materially different from their fair values as at 31 March 2013 and 2012.

17. Contingent liability

At 31 March 2013, there was a contingent liability in respect of recurrent and non-recurrent grants received from the Hong Kong Government which may be repayable should the company cease to operate an approved grant and/or subsidised school.

18. Subsequent event

Subsequent to the balance sheet date, Incorporated Management Committee of Ebenezer School and Incorporated Management Committee of Ebenezer New Hope School were incorporated on 31 August 2013. On the same date, the company has transferred the assets and liabilities of its Ebenezer School and Ebenezer New Hope School discussed in note 6 to the Incorporated Management Committee of Ebenezer School and Incorporated Management Committee of Ebenezer New Hope School.

19. Possible impact of amendments, new standards and interpretations issued but not yet effective for the year ended 31 March 2013

Up to the date of issue of these financial statements, the HKICPA has issued a number of amendments and new standards which are not yet effective for the year ended 31 March 2013 and which have not been adopted in these financial statements. These include the following which may be relevant to the company.

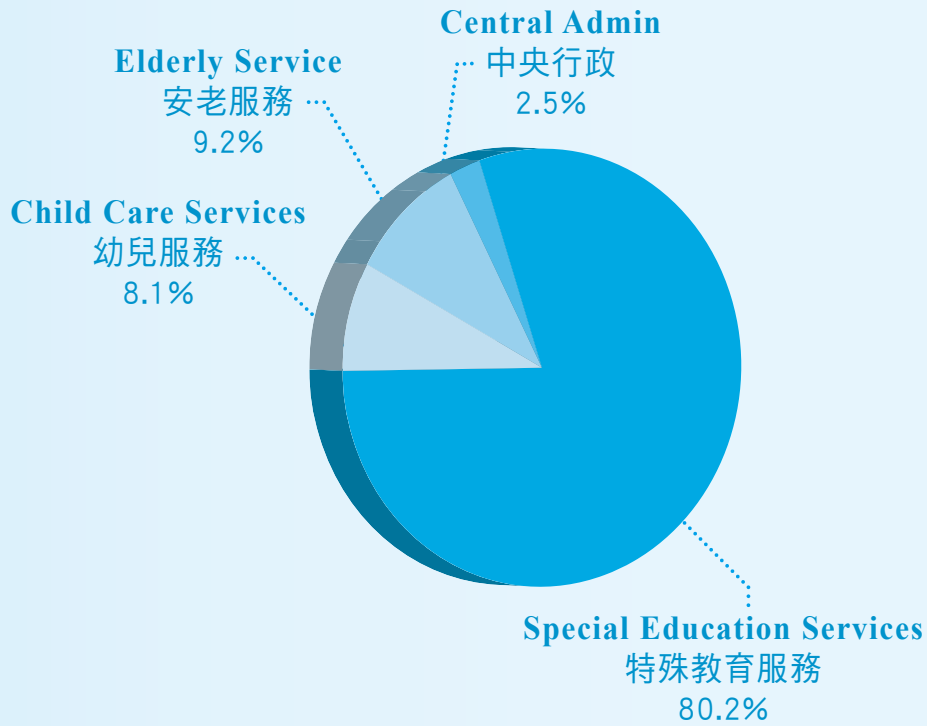

*Effective for
accounting periods
beginning on or after
1 January 2015*

HKFRS 9, Financial instruments

The company is in the process of making an assessment of what the impact of these amendments is expected to be in the period of initial application. So far it has concluded that the adoption of them is unlikely to have a significant impact on the company's results of operations and financial position.

Ebenezer School

Look how much fun we're having at the Art Museum's workshop!
我們參與藝術館的藝術工作坊!

Ebenezer School is at present the only school that provides mainstream curriculum for the visually impaired students. There are 67 students from P1 to S3 up to 31 March 2013. Among them, there are 43 boarders and 24 day students. The dormitory has 65 boarders altogether, including 22 integrators in mainstream schools. The Resource Support Programme (RSP) for the visually impaired students is expanding. There are 188 service users integrated in 77 participating special schools as well as mainstream primary and secondary schools.

- This year is the first year of our '3-Year School Development Plan 2012-2015'. We focus on the four areas of concern - enhancing learning and teaching as well as school management through effective use of information technology; promoting a reading culture; enhancing learning and teaching through effective use of assessment data; and strengthening the leadership and management skills of middle managers.
- We continued our joint effort with the EDB to form a working group on 'Technology and Education for Students with Visual Impairment', reviewing the latest

information technology and assistive aids as well as exploring how students can better apply assistive technology to support learning at various key learning stages in a more comprehensive and systematic manner.

- We have made breakthroughs in Cerebral Visual Impairment (CVI) training. The 'CVI Training Room' has been in operation to enhance professional assessment and low vision training. Our teachers and multimedia computer programmer have designed various self-directed learning softwares on rehabilitative training including Braille, Mathematics, attention training, MTR routes, orientation & mobility and so on. Tailor-made iPad apps on low vision training and for CVI students have been developed. The applications have been launched on the App Store of the Apple Shop Online.
- There have been frequent professional exchanges. Organizations, professionals and student teachers from Hong Kong, Mainland China and overseas visited our school to share experiences in integrated education and training visually impaired students. We also collaborated with HK Society for the Blind and HK Institute of Education to provide three professional SEN courses for teachers.
- The school curriculum committee and the subject panels kicked off a whole-school cross-curricular project learning activity with the theme 'Exploration into Chiu Chow Cultural Legacy' in November 2012. The climax was the field trip that took place during 5-7 December 2012, where P6, S2 and S3 students visited Chiu Chow in the company of teachers and parents. They learned to see the cultural difference between the mainland and Hong Kong from different points of view. Our students were engaged in real life learning, applying what they learned in this programme.
- Two new English programmes were launched starting the second semester, namely Living English and the English Ambassador Scheme. Every morning one student was elected to introduce a Living English phrase to all the students and the English Ambassadors would award stickers to students who could use the day's Living English in their conversations.
- We have made additions of MPRs and iPads in the library to further promote reading among our students. Echoing the 'World Book Day', we organized the 'Ebenezer Reading Day' on 23 April 2012, featuring fun reading activities with MPRs and iPads, story-telling, multi-media reading, inter-house quiz and so on.

The students are literally getting the 'feel' of Chiu Chow during the excursion.

- Our students proudly presented themselves at Ebenezer's Open Day cum Charity Bazaar. They performed lion dance and Chinese drums, as well as worked as campus ambassadors and demonstrators, exhibiting their hospitality and learning achievements in school.
- Two innovative photography programmes were successfully launched. Our students, with the guidance of voluntary photographers, pioneered photography for the visually impaired in Hong Kong. The photos taken by our students were exhibited at Galerie Huit, the Link REIT shopping centres and MTR stations. The photo exhibitions were well received and widely reported in the media. The one at Fringe Club in November 2012 was one of the highlights of the Hong Kong International Photo Exhibition 2012. A photo album titled 'Luminance Touched' was published in March 2013 to record some of their finest works.
- Our students are talented in music. With the sponsorship of Prof. Frederick Ma, *Illumination*, the first CD of the Ebenezer Choir, was released in December 2012. Students enjoyed this new experience of producing their own music,

with which they spread hope and joy to others. Ebenezer School Choir was invited to take part in various grand public performances, including Freespace Fest 2013 at West Kowloon Waterfront Promenade, the Open Music Series at Hong Kong Arts Centre, and the 'Love & Music' Joint School Concerts organized by Leisure and Cultural Services Department. S3 student Lau Yik Keung was invited to participate in the piano concerto at 'The Carnival of the Animals', a charity concert hosted by the Federation of Medical Societies of Hong Kong. Liu Kit Hong and Choi Lok Sze were nominated as the Arts Ambassadors-in-School by the Hong Kong Arts Development Council.

- Our students are all-round. The food bazaar organized by the Students' Union raised \$3,779 for Orbis Flying Eye Hospital. The Boarding Section successfully set up its first student-elected Boarders' Committee to lead the boarding activities. Our venture scouts won the Hong Kong Scouts Singing Contest 2012 as well as the Mixed 4x500m Team Relay in the Hong Kong Open Indoor Rowing Championships cum Charity Rowathon 2013.
- Students have made remarkable achievements in sports. S1 student James Chung received the 'A.S. Watson's Group Hong Kong Student Sports Awards 2012-2013'. Ten students joined the 'Marathon 101 Education Programme' and completed the 10 km race of the Standard Chartered Hong Kong Marathon 2013. Integrator Tang Tsz Long is the first student of Ebenezer School completing the Half Marathon. Thanks to the Ebenezer Long Distance Running Development Fund, Tang, together with integrators Leung Yiu Wan and Chu Kin Wah, participated in an international marathon competition in Australia in July 2012.

Proactively strengthening our network and collaboration with the EDB, different stakeholders and the community, Ebenezer School strives to enhance its quality education for the visually impaired. We will continue implementing various enhancement measures and providing more comprehensive support to our students.

Low visioned students use computer for eye-hand coordination training
低視能學生利用電腦進行手眼協調訓練

心光恩望學校為視障兼智障及弱能學生提供綜合教育、復康訓練及住宿服務。學校於本年度新增了3名新生。截至2013年3月31日為止，共有58名學生，當中包括14名日讀生及44名宿生。

- 秉承不斷求進自強不息精神，本校參加了「中文大學優質學校改進計劃」。中大校外支援組為教職員提供管理、課程及學與教方面的培訓，提升員工的專業水平。為促進學校之間的交流，心理衛生會臻和學校教師到訪本校，與我校教師分享教學心得，互相學習。
- 我們又參加了由香港理工大學於2012年11月至12月為教職員舉辦之「健康生活大使課程」，讓員工認識正確健康的生活態度。
- 渣打香港150周年慈善基金透過香港公益金撥款，資助一項惠及視障兼多重障礙兒童「肌能訓練、定向行走融合計劃」。28位學生參與由定向行走老師及物理治療師們共同為他們特別設計的訓練計劃。
- 承蒙香港公益金撥款\$974,000資助，職業治療部開展了為期三年、名為「視覺訓練無界限」計劃，共有33位學生參與。計劃為這些視障及多重弱能學生設計流動應用程式，以提升他們的手眼協調能力。
- 言語治療部新設計了「美食放送」及「壽星巡禮」兩個活動，把訓練與生活結合，效果良好。參與「美食放送」的學生需「扮演」提供外送食物服務的角色，於言語治療師的陪同下，替教職員到附近商店購買食物，並親自送到該職員手中。學生為人服務之餘，亦訓練學生於現實生活的溝通技巧應用，並加強了學生與教職員之間的互動。「壽星巡禮」的活動由學生於早會宣布當天生日學生或教職員的名字，並鼓勵學生向「壽星」送上祝福，鼓勵學生學習社交禮儀，加強人與人之間的互動和溝通。
- 我們鼓勵學生參與社會服務體驗「施比受更為有福」的喜悅，7位新高中的學生分別參與宣道會、香港失明人協進會及聾人福利促進會的賣旗活動，一方面讓社區人士認識本校學生，另一方面加強學生的社會服務的體驗。另外，本校又安排部份男、女童軍前往救世軍華富長者中心和心光護理安老院探訪，雙方在融洽的氣氛下互送祝福。

- 本校亦致力推動學生對運動的興趣，積極參與各項運動。我們派出8位學生參加香港特殊奧運會滾球比賽，另有6位學生往薄扶林騎術訓練學校參加騎馬訓練。
- 回應2011年校外評核的意見，宿舍部組織了一個工作小組編寫性教育三年計劃。2012-13年是首年計劃，內容包括成立性教育男生及女生小組、環境設施支援訓練和定期召開宿生會議。宿舍部同工透過多元化學習刺激，提供以學生為本的訓練歷程，是年共推行了12個小組，包括遊戲、音樂、演藝、感知體驗、資訊科技、手工藝、社交禮儀小組等等，讓宿生也得有足夠選擇參與小組活動。
- 香港養和醫院委派醫生到校為教職員提供4次醫療講座，主題包括小兒抽搐、善用抗生素暨乳癌、痛風症及兒童家居安全，共106人出席。養和醫院又為本校提供了兩次義務醫生到訪服務，除直接與家長及職員分享個案的專業諮詢外，也為出席的學生提供簡單的身體檢查。
- 家長是我們最緊密的工作伙伴。家教會本著促進學校與家庭的溝通和聯繫，謀求學生福利的宗旨，舉辦了多項教育及康樂活動。其他家庭活動如「聖誕嘉年華」及「暑假戶外遊」等參加率也高，反映出家長對家教聯舉辦的活動甚為支持。透過這些活動，家長的聯繫緊密也促進互相支持。
- 得到黃廷方慈善基金的贊助，學校於今年成立了非洲鼓隊及舞蹈組。舞蹈組更參加第49屆校際舞蹈節，獲得甲級獎項及編舞獎項。
- 承蒙余兆麒醫療基金的資助，宿舍部添置了3張護理床給視障及多重弱能學生。我們亦感謝萬瑞庭慈善信託基金慷慨捐贈3部投影機，讓學生有更多機會學習演示技巧，及進行專題學習，藉此提升學生的自信心及表達能力。

最後，本人謹對董事會、院長、捐助者、義工及家長致以衷心的謝意，他們的大力支持，讓我們一眾員工更有足夠的資源及信心為視障及多重弱能學生提供完善的服務。我深信，在教職員和家長的共同努力和悉心培育下，學生定必能快樂地成長。

心光護理安老院

Residents and volunteers both enjoy the activity!
非常投入的院友及義工們

心光護理安老院自1954年開始接受社會福利署資助，提供24小時住宿服務予女性視障長者，讓她們能在院內獲得醫療、社交及個別照顧。截止2013年3月31日，全院共有39人。當中有16名院友更年屆90歲或以上，最年長院友為102歲的吳參女士。

本院2012/13年度工作主題為「升級安樂窩」，致力強調與家屬保持良好溝通，加強院友對院舍的歸屬感，鼓勵院友家人與院方保持緊密聯絡及持續鞏固專業團隊質素。本年度主要工作重點包括：

- 本院舍高度護理個案日增，護理工作繁重，合宜的設施，有助提升效率。我們得到社會福利署獎券基金資助，將傳統睡床轉為電動睡床，讓護理工作更順暢，院友的舒適度提升。由2012年4月開始，全院提供視液及洗頭水予院友使用，毋需自備。另外，所有院友除個別獲得長期廁紙供應外，院友房間及飯廳均裝設廁紙架，供應廁紙予院友使用。
- 院友入住院舍後，均會由社工或護士製訂一套

個人護理計劃，每月院舍定期舉行個案會議，亦歡迎院友家屬出席，以便了解院友最新的健康狀況。此外，院舍亦會利用展板宣傳健康訊息予院友及家屬們知悉。

- 鼓勵各職級的員工出席職員講座或工作坊等，受訓時數總共超過120小時。我們會繼續安排適切培訓予同事們，讓她們掌握最新的護理知識及技巧，提升工作質素。

Christian Ministry

Christian Ministry is responsible for religious work within the organization and for Former Students. The former involves making arrangements for religious activities within the organization and liaising with local churches, whereas providing christian ministry to alumni involves visiting them, assisting them in applying for social benefits and subsidies, coordinating fellowships and organizing other evangelical activities. Thus, continuous prayers and public support are of great help to our work.

I. Religious Work within Organization

- This year’s Summer Camp, with the simple theme ‘2012’, was held in Ebenezer School. We were honored to have invited Rev Chan Chun Wah to take charge of the camp activities. Let your hearts turn from sin; for the kingdom of heaven is near.’ (Matthew 3:2)
- To promote the spirit of worship and service among students, all classes were requested to take turn to lead the morning assembly of worship. ‘Let the Lord be praised. Give praise to God in his holy place: give him praise in the heaven of his power.’ (Psalm 150:1)
- Monthly prayer book was introduced to students. They were encouraged to write down issues to be included in their prayers and to pray for one another. ‘See how the Lord has made great His mercy for me; the Lord will give hear to my cry.’ (Psalm 4:3)

II. Christian Ministry to Former Students

Alumni and residents

- This year, we served a total of 507 former students, including integrators and alumni of Ebenezer School and Ebenezer New Hope School. We paid around 500 visits to our former students. Some of our former students were suffering from cancer or mental health problems, accordingly more home visits and collaboration with the Hospital Authority and churches were called for. We also invited some Christian volunteers and former students to make visits with us and to show our care and love for those former students in need.
- Monthly regular activities of Fuk Lok Fellowship were held for the 25 residents at our Care Attention Home. Our alumni and volunteers helped organise two evangelical rallies to bring the Good News to the elderly during last Christmas and Easter. We were glad and thankful that five residents had committed themselves to Christ.

Joint Programmes with Christian Ministry to Visually Impaired Persons (CMVIP)

- The six cell groups of the Fuk Kwong Fellowship (Ladies' Group, Canaan Group, Andrew Group, Brothers' Group, Elim Group and Timothy Group) met regularly to share the joy and sorrows of life and support one another. Those who could not attend the cell groups would join the fellowship gatherings held at families' homes.
- The annual summer camp for former students' was held from 13 to 15 July 2012, with 44 participants. Games were organized to convey the message of encouraging them to overcome their physical limitations.
- The Evangelical Explosion III (EEIII) Group and the Church of Christ in China jointly held an evangelistic camp during 22-24 June 2012 to preach the gospel in Tin Shui Wai. We thank God that three persons made themselves to Jesus Christ at the street evangelism. It had been a fruitful experience for the participants.

Annual Events and ESAA

- The Annual General Meeting of the Ebenezer School Alumni Association (ESAA) was held on 7 July 2012. It was also a farewell party for our former Principal, Mr. Denny Lam. At the end of September 2012, the committee members met with the new Principal, Mr. Remy Wong and shared with him their views regarding the development of Ebenezer School and the welfare of our former students. As at 31 March 2013, there were a total of 208 ESAA members (Permanent: 174, Annual: 34).
- The Former Students' Christmas Celebration held on 8 December 2012 was one of our highlights of the year. Over 200 former students and their families joined the worship service. The participants treasured the reunion and it was a joyful day for everyone.

In the coming year, we plan to invite more active alumni, social services organizations and religious bodies to join us in our efforts to launch a pilot project aiming to encourage inactive alumni with little social life to join social activities and reconnect with the wider society.

福音事工

福音事工部包括院內宗教工作及校友福音事工。院內宗教工作負責全院的宗教活動及教會的聯絡。校友福音事工主要是探訪校友、協助有需要校友申請社會資源、組織校友團契和福音活動。福音事工部是很需要各界的支持與代禱。

I. 院內宗教工作

- 2012-2013年度的夏令營已於心光學校舉行，主題為「2012」，目的是從世界末日的角度來認識救恩，我們非常榮幸邀請了陳進華牧師主持有關活動。「天國近了，你們都應該悔改。」（太3：2）
- 為鼓勵學生敬拜及服務的心，我們安排每級學生輪流帶領早會的敬拜，無論領詩、分享、朗讀信徒箴言，全都是由學生負責。每星期一的週會，學生及職員一同，以歌聲和謙卑的心來敬拜。「你們要讚美耶和華，在神的聖所讚美祂，在祂顯能力的穹蒼讚美祂。」（詩150：1）
- 每月在最後課節內，使用「代禱手冊」來加強學生實踐多為他人向天父禱告，如聖經所教導「我求告耶和華，祂必聽我。」（詩4：3）

II. 校友福音事工

校友及院友

- 我們現正服務507位校友，當中包括外讀生及恩望學校的畢業生。過往一年，我們共探訪了校友約500人次。因著有多位校友罹患癌疾，或在情緒和精神上出現問題，我們進行多次家訪，並與醫護專業人士，以及教會傳道人聯繫，期盼提供多方面的照顧。我們會邀請基督徒義工、校友一起參與，以彰顯愛與關懷。
- 我們每月為護理安老院舉行一次的福樂團契聚會，約有25位院友出席。去年聖誕節和復活節，我們的校友和義工分別應邀負責兩次福音聚會，為長者院友帶來「好消息」，當中有五位院友承諾接受基督。

與視障人士福音中心（視福）合辦的事工

- 福光團契有六個小組（婦女組、迦南組、安得烈組、弟兄組、以琳組及提摩太組）定期聚會。各組員在聚會中彼此分享生命的喜悅和悲傷，相互扶持。對於那些沒法參與團契小組聚會的校友，他們經由分佈在全港數個地區的家庭聚會而獲得團契的生活。
- 是年度的校友夏令營於7月13-15日舉行，共有44位營友出席。透過一些歷奇的遊戲，他們學習突破自己的局限，享受活動的樂趣。
- 視障三福營於6月22-24日在天水圍與中華基督教會天約堂攜手合作。感謝神，在街頭佈道中，有三位人士即場信了基督，三福隊員也從中學習不少。

年度活動及心光學校校友會

- 心光學校校友會周年會員大會於7月7日舉行，並歡送心光學校林國偉校長。9月底，校友會執行委員會見新任校長黃君保先生，分享對心光學校的發展和校友的福利等想法。截至3月31日，校友會總共有208名會員（永久：174名，年度：34名）。

Christian alumni preach the gospel
基督徒校友傳福音

- 校友聖誕崇拜暨聯歡會為年度熱門盛事，於12月8日舉行，約有200名校友及家屬出席，他們多表示很珍惜如此相聚的時光，且在聚會中能夠盡享歡愉。

在來年，我們計劃邀請一些校友、社福機構，以及教會團體，組成義工隊，有策略地鼓勵部份長期間待家中的校友，參與社交或教會活動，重新接觸社會。

Ebenezer Child Care Centre

Sports Day

各位運動健兒！衝啊！

Upon the government's streamlining of pre-school services, the Preparatory Class at Ebenezer School was transformed to a special child care centre with residential service in September 2006. We provide tailor-made educational and rehabilitation training programmes to maximize the learning potential of our children. The total enrollment as at 31 March 2013 was 33 while 8 of them were boarders.

- We would like to thank The Community Chest of Hong Kong for sponsoring the Music Therapy classes. Through the use of the musical instruments and singing songs, the children were more motivated and found to be more attentive and active in communication.

Therapeutic training group

課堂訓練

- Combined Individual Education Program (CIEP) was introduced this year. Our trans-disciplinary team, including centre-in-charge, physiotherapist, occupational therapist, speech therapist, senior child care worker, nurse and special child care workers, worked out a holistic teaching plan for each child. Based on the curriculum, we made up interesting theme stories to link up all other areas including gross motor, fine motor, cognitive, visual, language, social and self-care in activities. General ability especially physical and visual ability of the children was enhanced with improvement of concentration and participation. Parents and staff understood more about children's special needs and training techniques. Moreover, this approach helped enhance professionalism of our staff as well as the team spirit.
- We would like to thank S K Yee Medical Foundation for their generous donation which enabled us to purchase occupational therapist and physiotherapist equipments for more comprehensive training of the motor ability of children.

音樂治療——小朋友們齊齊玩音樂！

- Our children joined ‘Group Ride Fun Day’ organized by Riding for the Disabled Association in October 2012. Through the riding activities, children could improve their truncal control and sitting balance.
- Outdoor activities were organized to enrich the learning experience of our children. These included visit to Chinese New Year Market. Our children learnt how to love and protect pets through close contacts with rabbits, dogs and cats from Doctor Pets’ regular visits.
- To strengthen the bondage between parents and children, we organized parent-child activities such as visiting Wetland Park, Chinese New Year buffet, graduation ceremony and party. These activities enabled parents to know each other and thus enhancing mutual support.

I would like to convey our cordial thanks to our staff, parents and volunteers for their devotion and support to the Centre. We pledge that we would continue to improve the quality of service.

因應政府對學前服務的分流政策，心光學校的預備班在2006年9月轉型為一所兼有住宿服務的視障幼兒中心。本幼兒中心因應視障幼兒各種視能情況及發展需要提供優質學習環境，讓他們能有效地學習及促進各方面的發展，減低日後生活及學習上的障礙。截至2013年3月31為止，本心共有33位學童，當中包括8位宿生。

- 我們感謝香港公益金贊助「音樂治療」課程。藉著詠唱及樂器運用，使學童溝通技巧有所提昇，亦能應用在生活之中。
- 本年度，我們推行綜合訓練計劃小組（CIEP），我們的跨專業團隊（包括中心主任、物理治療師、職業治療師、言語治療師、老師、護士）互相協調，共同制定教學方案，提供全面訓練策略，一般會以故事形式貫連整個活動，配合教學主題，加入大肌肉訓練、小肌肉訓練、認知、語言、社交、視覺及自理訓練元素在內。學童在參與CIEP小組中表現投入，各方面的能力均有所提升，尤其在體能、視覺及合作性方面。家長及職員更能了解幼兒的發展需要及掌握訓練技巧。另外，治療師及老師透過此平台互相觀摩和切磋，加強同事的專業發展及團隊合作精神。
- 承蒙余兆麒醫療基金捐獻，我們加添職業治療及物理治療器材，為兒童提供更完善大肌肉及小肌肉訓練。

Carolling at Christmas
齊齊報佳音去

- 於2012年10月至2013年3月，中心參與香港傷健策騎協會舉辦的「騎馬同樂日」。學童透過騎馬活動加強軀幹控制，改善坐姿平衡及體能發展。
- 為提供多元化的學習經驗，增加學童接觸社會機會，本中心舉辦不同類型戶外活動如遊花市、外出學習購物等。另外，透過動物醫生到中心探訪活動，讓學童能近距離接觸動物，學習愛護小生命。
- 透過親子活動如濕地公園旅行、新春團年飯及畢業禮，加強家長與中心溝通及家長間於活動中交流養育子女的心得。

幼兒中心面對的挑戰不少，幸得同工、家長們及義工的協助，讓心光學前服務得以穩步發展。來年，我們將致力建立穩定的工作團隊，進一步提升服務的質素。

Education Exhibition-Introduction of EIP services to the public
社區教育展覽——向公眾介紹EIP服務

Early Intervention Programme

This service started off as a pilot project of Ebenezer School and Home for the Visually Impaired. It was established in September 2000 and funded by the Quality Education Fund for 2 years. With the support of Hong Kong Jockey Club Charities Trust, the programme continued after the two years and was further developed to serve more children in need.

With the aim of providing early identification and early intervention, the Early Intervention Programme rendered tailor-made visual training sessions individually or in groups. The objective of individual assessment and training was to enhance children's self awareness of their body parts. The children would learn to establish their own visual strategies in learning and used their residual visual abilities to explore the world around them. Through group training, we were able to promote parent involvement and interaction with children.

- In 2012-2013, 99 visually impaired children aged 0-6, with nearly 60% of whom were with other disabilities, joined our programme. These cases were generally referred by ophthalmologists, optometrists and Children Assessment Centres whereas in some cases, the parents directly approached us. We provided a total of 1593 individual sessions for the 99 children, 880 centre training sessions and 713 out-reach home training sessions.
- We also put emphasis on parent education and involvement so as to enhance the training effectiveness. We organised parent groups for education programmes and sharing of experiences as well as emotional support among themselves. Through parent groups, they were better informed of the community resources available to support their children at different developmental stages.

Individual training 個別訓練

Skills learnt during regular individual training sessions, music therapeutic groups, swimming groups, pre-writing classes enabled parents to practise with their children at home.

- To strengthen family bondage and child-parent relationship, we held Christmas Bus Tour, Peng Chau excursion and farm visits.
- We provided 74 sessions of professional advisory and support services to various organizations including special child care centres, kindergartens and special schools. We demonstrated to our counterparts the training skills and the use of training aids, with emphasis on the importance of working out a holistic visual training strategy to better cater for the developmental needs of the visually impaired children.
- Through the Community Chest of Hong Kong, we received a donation of \$1,999,224 from the Standard Chartered Hong Kong 150th Anniversary Community Foundation to start a three-year pilot project “Ebenezer Seed project - Preschool-based Supportive Service”, which is supplementary

to the Early Intervention Programme. The Seed Project aims to enhance the knowledge and awareness of parents, teachers and the community about children’s visual development. Through professional assessment, training, public education as well as collaboration with parents, teachers and the community, we attempt to identify the rehabilitation and educational needs of the children on a wider scale. With timely training, the children’s visual performance and confidence can be enhanced and hence their quality of life. Different kinds of group activities, such as visual training groups and music therapy groups, are organized for the children aged from 0 to 2.

I would like to convey our sincere thanks to our staff and parents for their support to our pre-school services. We would continue the approach of early identification and intervention for the visually impaired children.

視障幼兒支援服務

心光盲人院暨學校於 2000 年獲優質教育基金贊助，開設了一項為期兩年的創新服務 - 視障幼兒教育支援服務。往後得到香港賽馬會慈善基金資助，使服務得以繼續推行及發展。很感謝該基金於本年度續批往後三年的資助款項。

本服務以及早識別及介入的理念，透過個別訓練及小組活動為視障幼兒提供適切的服務，提高視覺學習的效能及生活上的適應。個別訓練旨在因應個別兒童的視覺能力提供針對性訓練，以提升幼兒對身體部份認知，並學習建立合適的視覺策略及運用剩餘視力去探索世界；而小組活動則讓幼兒能在群體訓練活動中互相學習。

- 本年度共為 99 名 0-6 歲之視障幼兒提供 1593 節個別訓練，當中包括 880 中心及 713 外展訓練節數。約有 60% 為視障兼多項弱能幼兒。大部份個案由眼科醫生、視光師、兒童智能測驗中心轉介，而小部份個案由家長自行申請。
- 我們着重家長教育及參與，以提升訓練效能。為此，我們舉辦不同類型的教育講座及活動，讓家長對視障幼兒於不同成長階段的需要有更深認識，主題為「視障人士的類別、支援及資源」、「大腦性視障 (CVI) 的特徵及教具」、「從生活流程中提昇低視能幼兒的自理能力」及「低視能定義及學習的需要」。我們於本年度舉辦的小組活動包括音樂治療、游泳小組、寫前拆字小組及講座。家長從小組及定期訓練中學到的技巧有助於家中訓練幼兒，更能促進親子關係。

Farm visit
農莊暢遊

- 為使服務更多元化，我們於2011年獲公益金支持由渣打香港150周年慈善基金撥款 \$1,999,224推行為期三年「點亮·心苗計劃」，加強老師、家長及社區人士對兒童視覺發展的關注，並進一步認識視障兒童在成長過程中的需要。透過專業的評估和社區教育，並得到家長、老師及社區人士協助，及早識別有視覺訓練需要的幼兒，並提供適切的服務，以提高幼兒視覺學習的效能及生活上的適應，改善未來生活質素。我們舉辦不同類型的小組活動，包括「視覺訓練小組」及「音樂治療小組」，讓0-2歲幼兒及早得到適切訓練，並能讓家長了解及掌握訓練技巧。

本人謹代表心光視障幼兒教育支援服務感謝過去一直支持本服務的義工們及家長們。我們會繼續努力，以及早介入為宗旨，有效地運用資源，持續提升服務。

- 本年度舉辦不同的親子活動，包括到訪西貢獅子會自然教育中心、平洲離島活動、聖誕燈飾遊及暢遊農莊。家長間能在活動中交流育兒心得，並增加家長與幼兒的溝通及整個家庭凝聚力。
- 本年度我們共提供74節專業諮詢及支援予外間機構，包括特殊幼兒中心、幼稚園及小學，講解及示範視障幼兒的訓練方法及教材，並與其他機構的治療師及老師分享個別幼兒視覺訓練策略如何帶動其他範疇發展。
