The Scholarship is intended to support the visually impaired ("VI") youths of Hong Kong to pursue post-secondary studies or training programmes, which aims to support the holistic development of visually impaired people in pursuing their tertiary education and career development, and to help achieve diversity and inclusivity within the community through the empowerment of visually impaired people in the development of their skills and the attainment of their aspirations.

**From 1<sup>st</sup> February, 2026 till 10<sup>th</sup> March, 2026**, eligible Visual Impaired Youths can apply for the Scholarship by submitting application form with required documents via email.
